Message from the Principal

It is difficult to believe that we are already at the end of the first quarter. Wednesday will mark the end of the first quarter of the 2019—2020 school year. In this first quarter, our fifth graders have been exposed to many firsts: using lockers, transitioning between classes, a demerit system, more freedom during lunch, and transitioning between classes by themselves. Many of our sixth graders see four to five teachers this year, which is a transition to what they will have next year. In addition, our sixth graders are refining procedures they learned last year. These firsts are challenging, but those challenges are being met with perseverance and learning.

With all the firsts and all the challenges faced so far this year, I am very pleased with the progress of our students and the efforts of our staff. One concept that rises to the top of items students struggle with while transitioning is organization. Having responsibility to keep their lockers organized and keep their papers organized, as the number of assignments increase, is something students will need to understand the importance of. If you ever would like to work with your child on organizing his/her locker, beginning in November, the side doors of our building are generally unlocked until 8:00 in the evening. In addition, we will do an end of the quarter clean in the next week.

Organizing assignments and notebooks is something that the majority of our students still need your assistance with. Checking the daily homework folder will help and talking to your student about how he/she organizes will help. Many times the good habits students learn now can carry them for years and set a great basis for success.

Please be sure to be checking the Parent Portal on PowerSchool. If you no longer can locate your password, please send an e-mail to parentportal@oregoncs.org and state your name, your student’s name and the fact that you need a new password. Final grades will be posted on October 28th.

Thank you for a great first quarter!

Parent/Teacher Conferences on November 5th

Communication on a regular basis is essential. One method we use to communicate is Parent/Teacher Conferences. The way we will handle Parent/Teacher Conferences this year will be different than the way they were done in elementary and are transitional in nature.

We will have conferences November 5th during the day from 8:00–3:00 and in the evening from 5–8. We will also have a second evening conference on November 7th from 4:00–7:00. Invitations will be going out October 17th and 18th to the parents of all students whose teachers would like the opportunity to discuss success plans. Conferences will be open for everyone on October 28th.

Conferences will be scheduled for 15 minutes. You will have the opportunity to meet with all of your child’s teachers at once if that is desirable. We will ask that all conferences stick to the scheduled time. We want to be available to you so if you do not schedule a conference time, are not able to get one, or do not have enough time during your conference, please let us know and we will work to find a time to meet with you. Again, communication is extremely important to us.

More information will be forthcoming!

5th Grade Field Trip Forms Due Soon!

We are very thankful to our EPSSO group for being willing to help ensure our 5th graders can attend the Toledo Walleye this year!

Permission slips and $5 are due on Friday, November 1st. We hope your 5th grader can attend!

Eisenhower News and Notes:

- Below is the link to the registration form for Clay Med Tech’s Babysitting and Petsitting class.
- Please remember that the final Camp Payment of $205 is due on October 18th. If it is not paid in full at that point, the deadline for the late payment of $225 is November 22nd. Students will not be able to attend camp if the payment is not received by November 22nd. Please contact Mr. Holcombe with any questions.
- There are times throughout the year when we will have two-hour delays. Our lunch periods shrink to 30 minutes on two-hour delays, and depending on the menu, serving time can be tight. There are times when we will not open the Snack Shack on those days. This would mean that students...
who pack lunches would need to bring a drink on those days and not rely on the Snack Shack.
- Please remember that morning drop-off should not be prior to 7:15 and all students must be picked up by 2:40. Thank you for adhering to these times as our supervision is limited to these times.
- EPSSO has a Facebook page and does a great job of posting information. If you would like to follow them on Facebook, they can be found under Eisenhower Intermediate School. A lot of questions on events, etc. have been successfully addressed through the page. EPSSO tries to keep the page up-to-date on current events, but also feel free to contact the school with any questions. The site is intended to be informative. Please direct concerns and frustrations to Mr. Holcombe at 419.836.8498 as the page is not intended for those items.

  - Assorted Cereals
  - Whole Grain Breakfast Bars
  - Vitamin Enriched WG Pastries
  - Yogurt
  - Milk Choice

### NUTRITION BITES:
- Dairy provides 74% of the vitamin D in young children’s diets
- More than half of whole grains are eaten at breakfast
- Kids who eat breakfast tend to perform better in school and have fewer disciplinary problems. Breakfast also tends to help kids stay alert
- Starting every day the whole grain way gives kids and teens B vitamins, minerals, and fiber to feel fuller longer so they stay alert to concentrate at school
- A full cup of fruit is available every day, providing nutrients that are important for kids' health, such as potassium, dietary fiber, vitamin C, and folic acid
