Message from the Principal

Below are quite a few articles about some great things that have happened at Ike recently and some fantastic opportunities!

Please note that this week is Red Ribbon Week and we are excited about the messages to be shared!

Have a great week!

Sincerely,

Tim Holcombe

Youth to Youth Promotes Positive Choices During Red Ribbon Week

October 28th - November 1st will be Eisenhower's Red Ribbon Week. This year's theme is Send a Message - Stay Drug Free. Our Youth to Youth group has planned the themes for each day of Red Ribbon Week. We are hoping that all of our students join in the commitment to stay drug free by dressing up in the theme of each day.

- **Monday (10/28)** - **Dress for Success** - Dress up in your best clothes to show that you respect yourself and want to present yourself in a positive way.
- **Tuesday (10/29)** - **Squad Day** - Traveling groups will decide on a theme and students will dress like that to show that we support each other in making good choices.
- **Wednesday (10/30)** - **Welcoming Wednesday** - Dress like a friend or two and show that you are willing to stick by each other to help your friends make decisions that will keep you all drug free.
- **Thursday (10/31)** - **Zodiac Day** - We are hoping to fill the hallways with color. Students need to check the poster in the cafeteria to see what color their Zodiac Sign (dates are included) is supposed to wear. Dress in your color to show that you are part of a larger group that won't give in to drugs or peer pressure and you will make the community a brighter place.
- **Friday (11/1)** - **Jersey Day** - Wear a team jersey or shirt to show your support for any team. Wear the jersey/shirt of a team that you are on and show pride in yourself and your accomplishments. Wear a team jersey/shirt of a team that you support and show your team spirit.

We are looking forward to a great week of showing our commitment to making good choices and staying drug free now and in our future!

**Young Authors' Day at Ike!**

On Friday, October 25th Toma the Mime came to Eisenhower to perform and teach. A morning assembly saw Toma perform several stories in mime. He then spoke...yes, spoke...to our students about how to write stories for performance. He gave great examples and then performed additional stories. Students then went back to classrooms and wrote stories in groups.

In the afternoon, Toma put on a performance for 6th graders performing 8 stories he chose from those the 6th graders wrote. He then put on a separate for the 5th graders performing 8 stories they had written. Thank you to EPSSO for financing this excellent day!
Ike Grading Practices

We believe that the purpose of grading is to describe how well our students have achieved learning goals. Students at Eisenhower will receive feedback from their teachers in several ways. Here are some things that you should expect to see.

**Academic Practice**
Practice is one of the primary ways that we can get better at any skill. We believe that practicing newly taught academic skills as well as reviewing skills to remain sharp is an important part of what makes our students better. Students will be assigned academic practice and will receive consequences if it is not completed. However, we also understand that in practice we may make mistakes and need feedback to get better. Students will receive feedback on academic practice to indicate the next steps in their learning using the following scale.

- Got it – I have met the expectations for this assignment, I understand it well and I am ready for my next challenge.
- Almost – I can mostly do it by myself, but I sometimes get stuck.
- I’m just starting to learn this, and I don’t really understand it yet.

**Formative and Summative Assessments**
These activities and assignments help everyone to understand how well students are achieving their learning goals. They will be graded using the following scale.

- A – 90 – 100%
- B – 80-89%
- C – 70-79%
- D – 60-69%
- F – 0-59%

Summative assessments will weigh the most heavily in a student’s grade, at 90%, because they come after much instruction and practice.

**Habits of Success**
Students will be evaluated on behaviors and attitudes that are critical to learning, such as using time effectively or submitting quality assignments. Feedback will be given on these habits one time each quarter using the following scale.
5th Grade Field Trip Forms Due Soon!

We are very thankful to our EPSSO group for being willing to help ensure our 5th graders can attend the Toledo Walleye this year!

Permission slips and $5 are due on Friday, November 1st. We hope your 5th grader can attend!

Parent/Teacher Conferences on November 5th

Please note that if you would like to schedule a Parent/Teacher conference, you can do that beginning Monday, October 28th.

We will have conferences November 5th during the day from 8:00-3:00 and in the evening from 5–8. We will also have a second evening conference on November 7th from 4:00—7:00.

We are looking forward to conferences!

Ike Transitions: Student Hygiene Health

We are very proud of the hard work our students are doing as they tackle the various challenges that the transition to our building has offered. Yet another transition that they are encountering is related to hygiene. Their bodies are growing and changing every day—these rapid changes are presenting additional opportunities for them to practice being accountable and taking care of themselves in ways that keep them healthy and successful.

Intensifying these challenges is the fact that succeeding at Eisenhower is hard work! The intense activity at recess and/or Physical Education class in addition to the “rigorous” education that they are experiencing in the classroom creates a distinct opportunity for us to help them to further grow as young people as we address hygiene/personal health.

We would like to work together to help our students develop healthy habits by encouraging them to practice good hygiene including frequent showering, daily face washing, changing clothes and the use of deodorants after recess/PE class. We recommend students keep deodorant in their gym or school
Eisenhower News and Notes:

- We are fortunate to benefit each year from the generosity of the Old Newsboys. Each year they donate vouchers for both coats and shoes. If your student, or families you know of, is in need, please contact Tim Holcombe at tholcombe@oregoncs.org.
- Please note that we post our weekly Fly-ers on our website. To find them, please go to www.oregoncs.org and click on schools -> Eisenhower Intermediate -> Newsletters.
- 6th Grade Parents: Please remember that final camp payments were due on the 19th ($195). Those who did not make the deadline can still go to camp, but that deadline is November 22nd ($210) Please also note that a link to the excellent camp website Ms. Ovall has created can be found on a link below.
- Part of the learning process here at Eisenhower often involves discipline forms. If your student earns a lunch detention, after-school detention, etc., he/she should bring home the form for your signature. The forms often do not make it back to Mr. Holcombe until well after the consequence is served. If you would like communication on the consequence, please be sure to call the school as written notes on the forms are not often seen right away.
- Please remember that the final Camp Payment was due on October 19th. Those who did not make the deadline can still go to camp, but that deadline is November 22nd. Students will not be able to attend camp if the payment is not received by November 22nd. Please contact Mr. Holcombe with any questions.
- Yearbooks are currently on sale! You can order one at jostensyearbooks.com. Just enter Eisenhower Intermediate School and you will be able purchase a book.
- Below is a link for bowling. Please note that the money will be given to the bowling person at pick-up.

NUTRITION BITES:
- Dairy provides 74% of the vitamin D in young children’s diets
- More than half of whole grains are eaten at breakfast
- Kids who eat breakfast tend to perform better in school and have fewer disciplinary problems. Breakfast also tends to help kids stay alert
- Starting every day the whole grain way gives kids and teens B vitamins, minerals, and fiber to feel fuller longer so they stay alert to concentrate at school
- A full cup of fruit is available every day, providing nutrients that are important for kids’ health, such as potassium, dietary fiber, vitamin C, and folate (folic acid).
