Message from the Principal

We are looking forward to this up-coming week as it will give us an opportunity to meet with many parents during Parent/Teacher conferences! This is an excellent time to gain feedback on your child's progress and share information. If you have not yet scheduled a conference, please contact the main office at 419.836.8498.

All conferences will be held in the cafeteria. This will allow us to have Specials teachers, our guidance counselor, myself, and other staff members join conferences. It will be imperative that we keep to our 15 minute scheduled conference times. If, at the end of the scheduled conference time, you need more communication, please set up an additional time with the teacher or teachers with whom you need to speak.

We would like you to bring your child with you to conferences. He/she will start at a table in the middle of the cafeteria where there will be something for him/her to do. This will allow parents and teachers time to identify suggestions for continued success or for new success. Students will then be brought into the conversation to implement the plan that was devised.

Conferences are a great time to clarify expectations, determine means to meet or exceed expectations, and to celebrate what is going well. Please remember that we are open to speaking with you about the success of your child at times outside of Parent/Teacher conferences. Communication is key to the success of our children.

Please also remember that there is no school for students on Monday, November 4th or Tuesday, November 5th.

Please note that the Student Council is preparing for our annual food drive. There is information below. Thank you, in advance, for any help you are willing to give!

Please also see our Fitness Club information below. Our first session will be Wednesday. Please have forms in by Wednesday morning.
Have a great week!

Sincerely,

Tim Holcombe

Annual Eisenhower Food Drive
November 7 - 26, 2019

Our annual Eisenhower Food Drive will run from November 7th through November 26th, with a new twist on giving this year! Instead of an Ohio State vs. Michigan competition, the members of this year’s Student Council have voted to change things up. Our ultimate goal is the same -- to bring in donations of bagged, boxed, and canned food for people in our Oregon community who need our help.

This year, with each food item that a student brings in, the student will cast a vote on the question of the day, and will earn a raffle ticket for a chance to win some prizes along the way. The question of the day for both Thursday 11/7 and Friday 11/8 is: DOGS or CATS?

Last year, our Eisenhower students and their families donated over 1,300 food items to help others at holiday time! Thank you, in advance, for your generosity as we work to collect bagged, boxed, and canned food items again this year!
Fitness Club 2019-20

What is Fitness club you ask? Fitness club was established to provide students with the opportunity to better develop healthy exercise choices in a fun and challenging atmosphere before/after school once or twice a month.

The physical education teacher, Ms. Stevens will be supervising students after school on Wednesday each month starting November 6th. ***See the back/save top portion of this paper for other proposed dates/times!***

Students can choose between the various types of equipment & exercises in the weight room, jog in the hallways, and participate in planned activities in the gym from 2:35 to 3:30pm. **Athletic shoes and a change of clothes for all sessions are required!**

Participation will be limited to the first 50 applicants and a signed permission slip must be completed to participate. Occasional morning times (from 7:10 to 7:40) will be randomly announced over the morning announcement each month. Optional opportunities for promoting and participating in fitness activities out in the community for participants and their families will also be promoted!

Feel free to contact Ms. Stevens for more information at: Lstevens@oregoncs.org
