Message from the Principal

We are heading into our last week of remote learning before transitioning into Hybrid learning in grades K--6 the week of October 5th. We are excited about this transition and are looking forward to having our students back with us.

There are many changes that will be taking place as we transition back to in-person learning. I outline many of those changes and explain what things will look like in the video below.

<https://youtu.be/h2AQMqjQc>

Certainly there are many more items to communicate and we will continue to do so.

We are appreciative of all the hard work occurring throughout our district and are looking forward to seeing your students in person soon.

Have a great week!

Sincerely,

Tim Holcombe

NEWS & NOTES

Additional News and Notes

- Below are our revised Supply Lists for 5th graders.

- We will be sending out the revised 6th grade Supply Lists next week. We have revised the lists so we could limit supplies in some areas.
- Students with last names A-K will begin our Hybrid schedule on October 5th and will attend in-person on Mondays and Thursdays.
- Students with last names L-Z will begin our Hybrid schedule on October 6th and will attend in-person on Tuesdays and Fridays.
- The days students are not at Eisenhower, they will learn remotely and will have Schoology assignments.
- Students can be dropped off at the side parking lot door on both Hybrid and all-in schedules. We are asking that students are not dropped off earlier than 7:30.
- In preparation for coming back to school, please review the Dress Code section of our Student/Parent Handbook, which can be found near the bottom of this document. Thank you!
- Below this section is a video prepared by Ms. Sweet to help with accessing PowerSchool.
- Mr. Holcombe communicates with your student nearly every day with a Morning Message. At the bottom of the Morning Message is the e-mail address they should use if they are having technical difficulties with their Chromebooks. It is: student_techhelp@oregoncs.org
- Our office hours throughout remote learning will continue to be 7:10--3:00. We can be reached at 419.836.8498.
- We encourage students to ask questions. Live sessions allow for this as does e-mail. However, answers will not be immediate. Please understand teachers will be answering e-mails at times in their schedule during the day. Our expectation is to have e-mail responses within 24 hours.
- We will ask that you communicate sick days when your student is ill and not able to participate in school. You can do so on our attendance line at **419-836-3525**.

Remote Opportunity for Students

"Hello all!

The school year has started off a little different this year, but we can still enjoy some of the activities our students love, such as The Soaring Times. For incoming students and families, Soaring Times is a newspaper written by students in our school. It shares a wide variety of popular trends, school activities and events, and overall fun facts. If you are interested in being a part of this fun, creative, spirited group please fill out the Google Form attached by the link.

Digital Reading Option Available from TLCPL!

Need some reading options for daily reading? The Toledo Lucas County Public Library has options!

One option is to use the Libby App and Overdrive.

Below you can watch a tutorial on how to use Libby and Overdrive.
Below that link you will find a link to Overdrive.

Students will need to know their library card and pin number to access these. If they don't have a card, they can request a digital card online at <https://www.toledolibrary.org/card>. If they already have a card, but can't remember the number, they can contact the library 419.259.5250, and they can reset the pin, remind them of their number, etc.

Happy Reading!!

Remote Learning Log

As part of our remote learning plan, students will have a daily log to fill out. Please review the log daily with your child as he/she will be asked to log into Schoology, show you what he/she did for the day, and share with you what needs to be done.

A packet was sent home on Chromebook pick-up day. There is a digital link below. When we come back to in-person learning, we will ask that your student turn that log into their Traveling Group teacher. Thank you, in advance, for working through this with your child daily!

SUBJECT: ALL CHILDREN AGES 1-18 NOW EAT FREE SCHOOL MEALS

Dear Parents/Guardians,

This week the USDA announced they were allowing families nationwide to pick up free school meals from any school building that is providing Grab & Go school meals under the SSO program. ALL children under the age of 18 are now eligible for FREE meals until December 30, 2020 when the extension expires or when the funding for the USDA program is exhausted.

This extension ensures that "meals are reaching all children-whether they are learning in the classroom or virtually." Oregon City Schools will start participating in the ALL FREE school meal program immediately and will continue with the GRAB & GO pick-ups already outlined in the enclosed flyer. There will be NO CHARGE for students or children 18 and under who participate from today forward. Our sites are located at Clay High School, Eisenhower Intermediate School and Starr Elementary School. Due to the Labor Day Holiday our new all Free program will begin Wednesday, September 9, 2020.

In order to prepare and have enough meals on hand during our Pick Up days on Monday and Wednesdays we are requesting that you follow the registration process outlined in our attached flyer. DO NOT REGISTER IF YOU HAVE ALREADY DONE SO UNLESS YOU NEED TO ADD ADDITIONAL CHILDREN. Please click on this [here to go to the Meal Reservation Site.](#) Please submit ASAP so you get your first choice of delivery locations since we will have limits at each site and we can have the correct number of meals available.

If you need additional assistance, please call and leave a message at 419-698-6030 or email emergency@oregonc.org. Please allow up to 24 hours for a reply. Remember, to receive a full week of meals, you must pick up 2 meals on Monday and 3 meals on Wednesday. As always, we look forward to serving you and your family.

The Oregon City School District adheres to Title VI, Title IX, ADA, and Section 504; thus, does not discriminate in educational programs and employment practices on the basis of race, color, national origin, age, sex or handicap.

Parent Schoology Set-up Information

We are very excited this to have the opportunity to open up Schoology for parent access. We are hoping this is a tool that will help with our communication from school to home. We will post homework on Schoology and you will be able to view it daily.

There are many other opportunities with Schoology and we will grow together with its use at Eisenhower. The first step for you is to be able to gain access.

At Chromebook pick-up, you will receive a colored folder. That folder will have a lot of information for the school year. On the cover of the folder will be a Schoology Code. You will need that code in order to set up your access.

Below is the link to how to set up your account.
