Fassett Five: We are very excited to continue the Fassett Five tradition this school year! The Fassett Five is a way of structuring students to promote positive climate and positive behaviors, through purposeful building of relationships and fun and friendly competition. See details below:

- 7th and 8th grade students and teachers have been randomly organized into 5 Houses: Red, Black, Blue, Purple and Orange.
- Through fun and friendly competitions and events, and positive behavior, Houses will accumulate points throughout the year, with incentive on a monthly and quarterly basis.
- High Five cards are given to students, by staff members, to acknowledge Respectful, Responsible, and Ready behavior. High Five cards earned by students will contribute to the point total for their House.
- Once a month, Houses will meet for a House meetings in the auditorium.
- Once a month we will hold an All-House meeting. These uplifting assemblies/pep rallies will be held to announce students of the month, update students on House points, and possibly give away prizes.

PBIS at Fassett: As part of our Positive Behavior Intervention and Support (PBIS) efforts at Fassett, **BE RESPECTFUL**, **BE RESPONSIBLE**, and **BE READY** are our primary expectations for positive behavior. Our Matrix of Expectations provides students a framework of guidance on what it means to **BE RESPECTFUL**, **BE RESPONSIBLE**, and **BE READY** at Fassett. We use "High Five" cards to acknowledge students who are meeting these expectations. Each Friday, student cards are drawn. These "**Eagles of the Week**" will be rewarded with a Friday lunch with a friend. Please take time to review the Matrix of Expectations on page 11 of the [FJHS 2023-24 Handbook](#) with your student(s), and encourage them to show their Eagle Pride by being respectful, responsible, and ready in all they do! Thank you for your support!

Re-registration: is now open for the 2023-24 school year. **ALL** students **must** re-register for the new school year.

- Re-registration instructions can be found [here](#).

School Handbook: Please take time to review the [FJHS 2023- 24 Handbook](#).

Silver Diamine Fluoride (SDF) – A new dental treatment to fight cavities

Dental cavities are very common with children, but now our outreach dental teams have a safe, painless alternative to traditional cavity drilling procedures called silver diamine fluoride (SDF). SDF is an FDA-approved antibiotic liquid used to help prevent cavities from forming, growing, or spreading to other teeth. It is simply brushed on the tooth.

Without SDF

With SDF

About SDF:

- The outreach dental team will use SDF on back teeth only.
- It's normal for SDF to stain the cavity brown or black. This is permanent but can be reversed with a filling or loss of the baby tooth.
- The healthy parts of the tooth will not be stained.
- Further treatment of any dental care needs can be met at our health centers.
- SDF treatment may not eliminate the need for a traditional filling.
- SDF can temporarily stain nearby areas in the mouth. The stain causes no harm and should disappear on its own within a few days to a couple of weeks.
- SDF may cause a temporary metallic taste.
