Have a restful and relaxing Spring Break! We welcome the return of students, on Monday, March 19th, for the start of the 4th and last quarter of the school!

New Information and Updates:

ALEKS Ice Cream Club: congratulations to our students who earned ALEKS Ice Cream Club status! Students needed to complete 75% of their ALEKS pie to be inducted into the ALEKS Ice Cream Club. See attached for students, as well as pictures of students enjoying their ice cream award!

Financial Literacy Update: our 7th Grade Financial Literacy students are currently engaged in a project called “Buying a Car.” Students start the process by filling out a loan application and getting pre approved for a loan. After receiving their approval letter, students will shop local car dealers to find a car that will suit their needs. They are encouraged to be reasonable and get the most practical vehicle. The conclusion of the project is a powerpoint slide that details the cost breakdown, including APR, Term of Loan, Tax, and monthly payments. We will compile all the slides to one presentation and share them with the class.

Computer Club is for students who are interested in exploring technology and computers beyond the regular computer class curriculum. Participants are involved in STEM – Science, Technology, Engineering and Math activities that are activity, project, and problem-solving based. Students gain skills in communication, collaboration, critical-thinking, and creativity.

There is no cost for the club but students will need to bring their ChromeBook, earbuds, and a 3 ring binder. Computer Club begins on Monday, October 9th, and will meet every other Monday after school until 3:45. Please be sure to pick your child up on time.

What is Fitness Club, you ask? Fitness Club was established to provide students with an opportunity to better develop healthy eating and exercise habits in a fun and challenging atmosphere.

Health teachers, Mrs. Porter and Mrs. Olive, will supervise students for an hour right after school every Thursday until 3:45pm. Students can choose between exercises in the weight room, running or walking in the hallways, circuit training, relays, games and other co-ed activities. On days where the weather permits, we will be going outside.

Each year we plan to go on a fitness related fieldtrip at a minimal fee to encourage lifelong healthy habits. In the past, we have gone to the YMCA, BGSU Ice Arena, SkyZone, The International Boxing Club, Wildwood Athletic Club and more. This years’ location is yet to be decided.

We also encourage our members to advocate for other organizations that promote fitness. We have joined volunteers for “Girls on the Run” at The University of Toledo, “The Glass City Marathon” in Sylvania and others. Be on the watch for these worthwhile activities.

To offset the expense of snacks and to help supplement T-shirts and fieldtrips, there is a one-time participation fee of $5.00.

So... gather up your friends and join us for some healthy fun!!!

My child has permission to join Fassett Fitness Club!

### NUTRITION BITES:

- Dairy provides 74% of the vitamin D in young children’s diets.

- More than half of whole grains are eaten at breakfast.

- Kids who eat breakfast tend to perform better in school and have fewer disciplinary problems. Breakfast also tends to help kids stay alert.

- Starting every day the whole grain way gives kids and teens B vitamins, minerals, and fiber to feel fuller longer so they stay alert to concentrate at school.

- A full cup of fruit is available every day, providing nutrients that are important for kids’ health, such as potassium, dietary fiber, vitamin C, and folate (folic acid).
