New Information and Updates:

Washington D.C. Trip Chaperone Final Meeting(s): parents attending the 8th grade Washington D.C. trip as a chaperone should plan to attend one of the final meetings. Identical meetings will take place on May 7th, from 6:00-7:00 p.m., and May 8th, from 7:30-8:30 p.m. You do not need to attend both meetings. Both meetings will take place in the auditorium.

Library Books: all library books are due back by Friday, May 11th.

STEM: Attention 7th Graders: Do you like to build? Do you like to solve problems and create solutions? Would you like to be a member of a team that learns about science, technology, engineering and math? If you answered YES, you may be interested in becoming a member of the STEM Academy. Members of the STEM Academy will work in teams to create robots built from Legos that can be programmed to perform specific tasks to accomplish a goal. Sound like fun? You bet it is. Applications are available from the office this week and next and are due back to the office no later than Friday, May 4th. Anyone 7th grader who wants to join for the first time as well as anyone who has already been a member needs to complete and return an application and essay.

8th Graders: You will be receiving information on how to become a member of the robotics team at Clay.

Clay Cheerleading: any current 8th grade girl who would like to try-out for freshman cheerleading, packets are available in the office.

Important Dates and Times:
- Try-outs will be held May 7th, May 8th, and May 10th, 2018.
- Try-outs will consist two clinic days May 7th, and May 8th from 3:00 – 4:30 pm, and one day for tryouts, May 10th from 3:00 pm until finished. All three days are mandatory and will be in the South (Old) gym.
- One way bus transportation will be available for Fassett students to Clay on each of the days.

Youth Soccer Camp: a youth soccer camp, presented by the Clay Lady Eagle Soccer program, will take place June 25-28, 2018, from 8:00-9:30 a.m., at the Clay High School soccer fields. The camp is being held for boys and girls, Kindergarten through 8th grade. Please see the attached flyer for registration. Deadline for registration is June 18th.

Choir News: see attached.

7th Grade News: see attached for 7th grade news.

8th Grade News: see attached for 8th grade news.

Connect with Fassett:

Testing Calendar:
- 5/1 – 7th and 8th Grade Math OST (Part I)
- 5/2 – 7th and 8th Grade Math OST (Part II)
- 5/3 – 8th Grade Science OST (Parts I & II)
- 5/7 – High School Algebra OST (Part I)
- 5/8 – High School Algebra OST (Part I)
- 5/10 – Band Concert 7:00 pm
- 5/11 – Staff Training – No School
- 5/15-5/18 – 8th Grade Washington D.C. Trip
- 5/22 – Student of the Month Cookout
- 5/23 – Honor’s Day
- 5/24 – Honor’s Breakfast
- 5/25 – Talent Show/Fun Day
- 5/25 - Last Day for Students – 2 hour early release

Important Dates:
- 5/1 – Math OST
- 5/1 - Choir Concert, 7:00 p.m.
- 5/2 – Math OST
- 5/3 – 8th Grade Science OST
- 5/4 – Bi-Weekly Grade Update
- 5/4 – 8th Grade Send-Off Dance
- 5/7 - Algebra 1 OST
- 5/7 - Washington D.C. Parent Meeting, 6:00 p.m.
- 5/8 – Algebra 1 OST
- 5/8 – Washington D.C. Parent Meeting, 7:30 p.m.
Important Reminders:

The Muddy Eagle: Eisenhower Intermediate School’s 3rd annual event will take place on Saturday, May 19th. See the attached flyer for more information and a link to register.

Wheels Only 5K: see the attached flyer for information and to register for the Wheels Only 5K, which will take place on Saturday, May 19th.

PowerSchool Parent Portal: Use the following link to access the Parent Portal of PowerSchool: https://oregon.ps.nwoca.org/public/. If you need to create an account, please visit the following page, or see the included attachment, for instructions: http://www.oregoncityschools.org/images/stories/docs/District_Documents/Parent_Portal_Account_Creation.pdf

Academic Practice Boards Assignments: 7th Grade: https://goo.gl/xj5pkR 8th Grade: https://goo.gl/wB8i3X

Dress Code Reminders (Pants/Shorts/Lower Body Apparel): all pants/shorts are to be worn at the waist, without exposing undergarments. Pants/shorts cannot have holes of any size that expose skin. Wearing undergarments under pants/shorts with holes does make them allowable providing no skin is showing.

Cell Phone Reminder: cell phones are not permitted to be used during school hours, and should be kept in your locker. Consequences will be issued if cell phones are found on students during this time.

Attendance Information: please ensure your student(s) is arriving to school on time. A student is marked tardy is he/she arrives after 7:50 a.m. An accumulation of tardiness to school will result in disciplinary consequences. please take a moment to check your student's attendance for any unexcused codes. Please send in any doctor's notes if needed. If you have questions, please call the attendance office at 419.693.0455, ext. 3045

Fitness Club: Fitness Club, with co-advisors, Mrs. Olive and Mrs. Porter, takes place every Thursday, after school, until 3:45 p.m. Permission forms are available in Mrs. Olive (room 40) and Mrs. Porter’s (room 38) rooms, and should be returned to Mrs. Olive or Mrs. Kretzer. Please see the attached flyer for more details.

Reading Club: Fassett students and staff have the opportunity throughout the school year to have books from the Oregon Branch Library delivered during STRIDE. If you are interested in checking out books through the public library, please follow the link and fill out the form. Fassett Reading Club Google Form

Student Drop-Off and Pick-Up: student safety is our top priority. To ensure the safety of our students, as well as an effective and efficient process, if you drop-off and/or pick-up your student(s) from FJHS, please follow the route outlined in the attached map, and please adhere to drop-off and pick-up times outlined below. Additionally, please be extra cautious of foot traffic in the parking lot.

After-School Academic Practice Program: Fassett Junior High School is pleased to offer additional academic assistance to students through the After School Academic Practice Program. This program allows students an opportunity to complete missing work, after school and with teacher assistance, and receive full credit without a disciplinary consequence.
8th Grade News

**Language Arts:** Students will continue reading their literature circle books throughout the week. Each week, they are assigned a specific amount of pages to read as a group, an individual role to complete, and then are assessed on their group discussion and a reading comprehension assessment. Most groups are already halfway through their novels! Ask your student about their book, most are really enjoying the stories and will have plenty to talk about!

![Book images](image)

**Algebra 1:** In between testing, we are working on different ways to solve quadratic equations. Can your student sing the quadratic equation to a familiar tune? This is worth a few points extra credit week of April 23rd. We will also work on the method called “completing the square” - which means creating a perfect square trinomial. They need to recall this from the last chapter which is why everyone was required to complete corrections on this test. Assessment over the five lessons of Chapter 9 will be at the end of next week. Work in ALEKs can reinforce concepts learned in class. We are in the 9th chapter which ties to the 9th pie slice “Quadratics”. Encourage your student to stay on top of their ALEKs end of year goal due Monday, May 14 and the required pie slices that need to be complete by quarter end.
**Physical Science:** Students are learning to name and write formulas for ionic compounds. The year long projects are in the final stages. We will be having presentations in class the first week of May, followed by a science fair in the library during the school day on May 10th. Friends and family are welcome to attend this event to see all of the amazing projects the students have completed. Check with your child on the specific period they will be in the library.

**Science:** We are in the home stretch of finishing up our unit on genetics. Students have used the Gizmos program to run simulations exploring Natural Selection and analyzed the way organisms adapt and evolve in a changing environment. Soon the kids will be taking the end of year exam and have been given a study guide to prepare for the test.

**Social Studies:** Both Mrs. Hess and Mr. Slovak’s American History classes will be taking the comprehensive end of year SLO exam next week on Thursday, April 26th. This exam is not part of the State testing battery, but it is still very important as it shows the growth that the students have made throughout the year in American History.

---

**Washington DC News**

**Washington DC 2018**
There will be a DC Chaperone meeting to go over all aspects of the DC trip from start to finish on Monday, May 7 @ 6:00 pm in the Fassett auditorium.
In addition, we will be having a 2nd alternative DC Chaperone meeting on Tuesday, May 8 @ 7:30 in the auditorium for those that cannot make it on Monday. Chaperones do NOT need to attend both.
7th Grade News

Mathematics

We have been busy learning about probability and statistics with mean, median, mode, range and dot/box plots. Now we are moving into some geometry with angles and triangles.

State testing is in less than 2 weeks, so please make sure that your student has a calculator. The TI30Xiis was the calculator suggested on the school supply list at the beginning of the year.

Language Arts

The 7th Grade Language Arts classes will be taking the Ohio Grade 7 ELA State Test this week. Please be sure your child is well rested on Tuesday and Wednesday. Students have been preparing all year through daily lessons based on the state content standards. After testing, the students will find themselves in survival mode as they journey through the Glade with Thomas in the novel *The Maze Runner.*
Choir News
Each year students in choir and band have an opportunity to perform as a soloist or in a small ensemble at the Ohio Music Educators Association's Solo and Ensemble adjudicated event. Students present their song selection before an adjudicator (judge) and receive valuable feedback on their development as a musician and mastery of the piece they chose to perform. Following their performance, students are awarded a score to recognize their achievement. Congratulations to the following choral students for their outstanding performance!

1- Superior rating (The highest score possible)
1. Macy Strauss (7th Grade)
2. Theo Porter (7th Grade)
3. Savannah Large (8th Grade)
4. Tanner Truman (8th Grade)

2 – Excellent rating
1. Lilly Porter (8th Grade)
2. Kira Mauder (8th Grade)

3 – Good rating
1. Alysia Woodard (8th Grade)
2. Heidi Dreier and Clara Steel (7th Grade)

These students and the 7th/8th Grade Choir will be performing our Spring Concert on Tuesday, May 1 at 7 PM in the Fassett auditorium, featuring each of the Solo and Ensemble participants, and several popular music and musical theatre song selections. Please join us!

On Saturday, May 12, students form the 7th and 8th grade combined choir and the 7th Grade and 8th Grade bands will be traveling to Cedar Point to participate in a music festival and to enjoy the day at the park. Last year, our choir and bands received a GOLD rating for their performances. Best of luck to this year’s group as they perform and represent the excellent student body of Fassett Junior High School.
TRYOUT GUIDELINES
CHS Football Sideline, Basketball Sideline, and
Competition Cheer 2018-2019

Important Dates and Times
- Tryouts will be held May 7th, May 8th, and May 10th, 2018.
- Tryouts will consist of two clinic days May 7th and 8th from 3:00-4:30pm, and one
day for tryouts, May 10th from 3:00pm until finished. All three days are
mandatory and will be held in the South (Old) gym.
- One way bus transportation will be available for Fassett students to Clay on each
of the days.

Important Papers
- You must have a current physical with you or on file (at Fassett/Clay) in order to
participate at the clinics or at tryouts.
- All fines or material owed to the cheerleading program must be paid or turned in
before tryouts (this includes poms, uniforms, liners).

Team Eligibility
- There are a total of three sideline teams per season; Freshman, Junior Varsity,
and Varsity.
- **Varsity:** sophomores, juniors, and seniors (no freshman) Must have one year of
CHS cheer experience (unless trying out for the first time as a senior)
- **Junior Varsity:** sophomores, and juniors (no freshman or seniors)
- **Freshman:** freshman only
- Up to 10 girls will be chosen for the Freshman and JV football teams, and all
three Basketball teams. Up to 12 girls will be chosen for Varsity Football.
- **Competitive Team:** Girls may also choose to tryout for our Competition Team.
The competition team can be comprised of girls at any grade level (9-12). You do
not have to be a sideline cheerleader, you can choose competition only. The
number of girls chosen for the competition team varies each year and is at the
discretion of the coaching staff.

Academic Eligibility
- All cheerleaders must be eligible academically. Since the grading period will not
end until after tryouts, a preliminary check will be done before tryouts. If
someone is selected who is determined to be ineligible, the cheerleader will be removed from the team and the candidate with the next highest score will be invited to join the team.

Scoring the candidates
- A small percentage of the tryout score will be based on the “coach’s score”. Coach’s score includes observed teamwork, spirit, attendance/commitment, attitude, and leadership based on last year’s cheer experience. If the candidate does not have cheer experience it will not count against her.
- The remaining tryout score is the “performance score” and is comprised of individual and group performance score during tryouts.
- Group members will be scored individually on:
  Dance which the group creates (music provided)
  Cheer/chant which words and motions are provided
- Individual performance will include:
  1. Appearance
  2. Original cheer
  3. Herkie choice
  4. Pike
  5. Toe Touch
  6. Double Toe Touch
  7. Standing Tumbling (min. cartwheel)
  8. Running Tumbling (min. round off)
- Groups will be assigned during clinic days and will consist of 2-4 candidates chosen at random per grade level.

Additional Information
- Candidates should wear appropriate clothing for tryouts. Solid colored cheer shorts, cheer shoes, solid white t-shirt (no tank tops).
- Any clothing that designates cheerleading experience will not be permitted.

Results
- Results will be given on Saturday, May 12th in the New Gym Lobby at 8:00am. Each girl will receive an envelope with their number on it. Within the envelope, it will indicate if the candidate has been invited to join any of the teams that they qualify for. **IF SELECTED FOR ANY TEAM YOU MUST IMMEDIATELY SIGN UP FOR THE ENCLOSED REMIND 101 ALERTS** (This will be the only way I can reach you with important meetings and dates once school is out).
- There will be no discussion until the 24 hour window has passed. You may email Coach Roach nroach@oregoncs.org if you would like to make an appointment to discuss tryout.

Oregon City Schools STEM Academy Application

Oregon City Schools is proud to partner with BP to create the OCS STEM Academy and provide students in grades K-12 the opportunity to become a member of a unique engineering team. Members will engage in science, technology, engineering, and math activities that stimulate minds, require cooperation with peers and mentors, allow for critical thinking and creativity while developing problem solving skills, and encourage personal growth as a member of a robotics team. Teams will compete against other area teams in December at a local competition. Any team scoring enough points to advance to the next level will compete in January. Should a team score enough points at the regional level, the State competition is held in February.

COMMITMENT REQUIRED: During the competition season (the end of August through December/January, teams will meet twice a week (days to be determined) in the evening (most likely 5:30 or 6:00 p.m.) at Clay High School in room 163 (in the hall across from the gym). In the off-season (beginning of February through end of April), the students will meet once a week in the evening at Clay High School in room 163.

Regular attendance during the competition season is very important and required. Teams cannot successfully prepare for competition if team members are not there consistently.

There is a $20 fee to join the program, which will be applied to your student account after acceptance onto a team and can be viewed in EZpay. This fee covers the cost of the team t-shirt and hat that is worn to competition and will go towards the cost of project supplies. Each team is made up of students from 5th-8th grades. To be considered for membership on a team for the 2018-2019 school year, a signed student contract, signed parent contract, and student-generated essay must be returned to the school’s office no later than Friday, May 4, 2018. All applications will be reviewed and applicants will receive notification of acceptance by the end of this school year. Meetings for the year will begin on Wednesday, August 22.

For questions, please email Deb Filar, dfilar@oregoncs.org.

FIRST LEGO League

FIRST LEGO League (FLL) is a fun and exciting competitive robotics program. Members practice imaginative thinking and teamwork. FLL teams research real-world problems and are challenged to develop a solution.

What are the Core Values of FIRST LEGO League?

The FIRST LEGO League Core Values are the cornerstones of the program. They are among the fundamental elements that distinguish FIRST LEGO League from other programs of its kind. By embracing the Core Values, participants learn that friendly competition and mutual gain are not separate goals and that helping one another is the foundation of teamwork.
- We are a team.
- We do the work to find solutions with guidance from our coaches and mentors.
- We know our coaches and mentors don't have all the answers; we learn together.
- We honor the spirit of friendly competition.
- What we discover is more important than what we win.
- We share our experiences with others.
- We display Gracious Professionalism® and Coopertition® in everything we do.
- We have FUN!

FIRST LEGO League has coined certain terms which are an important part of how they believe teams and team members should act. These terms are “Gracious Professionalism” and “Coopertition”.

**Gracious Professionalism**

Gracious Professionalism is part of the ethos of FIRST. It’s a way of doing things that encourages high-quality work, emphasizes the value of others, and respects individuals and the community.

With Gracious Professionalism, fierce competition and mutual gain are not separate notions. Gracious professionals learn and compete like crazy, but treat one another with respect and kindness in the process. They avoid treating anyone like losers. No chest thumping, but no sticky-sweet platitudes either. Knowledge, competition, and empathy are comfortably blended.

In the long run, Gracious Professionalism is part of pursuing a meaningful life. One can add to society and enjoy the satisfaction of knowing one has acted with integrity and sensitivity.

**Coopertition®**

Coopertition® produces innovation. At FIRST, Coopertition is displaying unqualified kindness and respect in the face of fierce competition. Coopertition is founded on the concept and a philosophy that teams can and should help and cooperate with each other even as they compete.

Coopertition involves learning from teammates. It is teaching teammates. It is learning from Mentors. And it is managing and being managed. Coopertition means competing always, but assisting and enabling others when you can.

# OCS STEM Academy Application - Eisenhower/Fassett Combined Teams

<table>
<thead>
<tr>
<th>Student Name:</th>
<th>Grade in the 2018-2019 school year:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Were you in the OCS STEM program last year (including any elementary)?</td>
<td>NO YES (circle one)</td>
</tr>
<tr>
<td>If YES, what school did you attend?</td>
<td></td>
</tr>
</tbody>
</table>

It is VERY important that you provide a current phone number and email address where you can be contacted with important information, changes to the schedule, and in case of an emergency during meeting hours.

Students: Please compose an essay to address the points or questions below. Read, check, and sign the student contract. INCOMPLETE CONTRACTS WILL NOT BE ACCEPTED.

Parents: Read, check, and sign the parent contract. INCOMPLETE CONTRACTS WILL NOT BE ACCEPTED.

## Essay

**APPLICANTS NEW TO THE IKE/FASSETT PROGRAM** - In 250-300 words, **STUDENTS** should compose and type (double-spaced) an essay that addresses the following points. You may have to do some research on the FLL website, [https://www.firstinspires.org/robotics/fll](https://www.firstinspires.org/robotics/fll), to construct your answer.

- what you hope to learn and accomplish as a member of an FLL team
- what it means for a team to be successful
- how you think you would be able to contribute to the success of a team

**APPLICANTS ALREADY IN THE IKE/FASSETT PROGRAM** - In 250-300 words, **STUDENTS** should compose and type (double-spaced) an essay that answers the following two questions:

- What quality that you possess do you think made the biggest contribution to your team last year?
- What was the biggest personal challenge you faced last year during our meetings and/or the competition(s) and how did you handle that challenge?
- What was your biggest weakness as a team member? How will you improve that next year?
Student Contract

(Check each item you can honestly agree to for next school year.)

☐ I realize that no robotics problem has only one solution and that a successful team is one which cooperates by considering EVERYONE’S solution and ideas. I will provide constructive comments instead of hurtful criticism.

☐ I agree that my behavior at meetings and tournaments will follow school and district expectations, and I will treat my teammates, parent volunteers, and my coaches with respect.

☐ I agree that each FLL team meeting is valuable, and I will miss no more than 6 meetings during the competition season.

☐ I agree that the goal of my team should be to do our best to solve a challenging problem. I also agree to cooperate on whatever solution the team chooses, even if it is not my first choice.

☐ I agree that all solutions will be done completely by me and members of my team and not my coach(es).

☐ I understand that the robotics program recognizes all teams that bring a solution to the tournaments are considered “winners.” I agree to show other teams the utmost respect and good sportsmanship.

☐ I agree to respect the buildings, rooms, furniture, and equipment used by the FLL robotics team.

☐ I agree that violations this agreement are grounds for my removal from the FLL Robotics team.

Signature of student: ___________________________ Date ________________

Parent Contract

(Check each that you can honestly agree to for next school year.)

☐ I agree to make every effort to have my child attend every team meeting.

☐ I agree to pick up my child promptly at the end of the scheduled meetings.

☐ I realize that my child’s coach will be contributing a significant amount of time and effort to provide a rewarding experience for the team. I will try to be as cooperative and helpful as possible.

☐ My child’s photo may be taken and used to promote the program in district-related materials such as his/her school, the Oregon Oracle, our program’s website, and the OCS Facebook page.

☐ My email and phone number can be shared with my child’s coach so I can be contacted about changes that apply to the team, questions or concerns, and to arrange rides to/from the competition.

☐ I have discussed all items in the student contract with my child.

Signature of parent: ___________________________ Date ________________

WE NEED COACHES DURING THE TOURNAMENT SEASON (late August through early December/January)!! We can only have as many teams as we have dedicated coaches for; ideally, 1-2 adults per team (meeting days can be divided up when necessary). This program cannot happen without coaches. No programming experience is required. Must be able to attend weekly meetings from late August through early December/January and work well with 5th-8th grade students as well as other adults.

☐ I am interested in discussing the possibility of volunteering as a coach at weekly OCS STEM Academy meetings.

☐ I was a coach last year and wish to return as a coach this year.
The Muddy Eagle

A fundraising event for Eisenhower Intermediate School

Saturday, May 19th
331 S. North Curtice Rd., Oregon
Registration starts at $12/person

(includes free t-shirt for prepaid participants, while supplies last)

Get ready for some serious fun at Eisenhower Intermediate School’s 3rd Annual Muddy Eagle! This 1.5 mile no-pressure untimed mud and obstacle course is a fantastic family race or a great starter race for those looking to improve running goals. Located just down the road from Maumee Bay.

For more info, visit www.eventbright.com & search “Muddy Eagle” or email epsso4ike@gmail.com
WHEELS ONLY 5K!
Saturday, May 19, 2018

Participant Registration Form
Students and community members are invited to participate in Oregon City Schools’ first Wheels Only 5K! All proceeds will support creating universal playgrounds at our three elementary buildings. There will be three distances available for participants to choose from:

5K (3.1 miles), 1K (.6 miles) and 1/2K (.3 miles)

Participants must be “on wheels”. Acceptable wheels are: wheelchair, walker, skateboard, roller skates, roller blades, bicycle, wagon and stroller. Map of routes available on event day! Please feel free to contact Dee Hepperly, OCS Director of Special Education at 419-698-6000 or email dhepperly@oregoncs.org if you have questions.

WHEN:
May 19, 2018
8:00 AM Registration Opens
10:00 AM Event Starts

WHERE:
Clay High School
(by the stadium)

COST:
Early Registration:
$5 for students/Kids under 5 and $20 for Adults if registered by April 13th
(includes T-shirt)

Onsite Registration:
$5 for students/Kids under 5 and $25 for adults registered after April 13th

Register Online:

Oregon City Schools/NPESC
Preschool
We would love for you to visit our program, take a tour, and meet our teachers!
Call 419-698-8003 to schedule a visit.

Oregon City Schools offers preschool to all Oregon residents.
Classes are on Monday, Tuesday, Wednesday, and Thursday
Hours: AM session 9:15-11:45 or PM session 1:00-3:30
One classroom for 3 year olds and two for 4 and 5 year olds

The Wynn Center
5224 Bayshore Rd
Oregon, Ohio 43616

We are enrolling preschool eligible 3, 4, and 5 year olds for the fall starting April 1st.
To enroll, call 419-698-6000
Oregon City Schools Parent Portal Account Creation –

You must have an Access ID and Password for each student before setting up account. These letters were mailed home in September. If you did not receive your letter, please contact Linda Toth at 419-693-0661 x3273 for this info.

1. Go to www.oregoncityschools.org, click on “Parent Portal Login” in the “Parents” menu.

2. Click “Create Account” button. DO NOT try to enter Access ID and Password into Login fields.

3. Fill in required information for ALL STUDENTS you want to associate with this account.

4. If everything is entered correctly and your username is available, you will be presented a screen congratulating you on creating your new account. Using the username and password you just created, log into the Parent Portal and customize your account. If you have more than one student, you will see buttons in the top left corner to switch between your students’ information.

   a. Click on eMail Notification and/or My Calendars buttons to setup customized communications.
   b. Click on Power Announcement to setup your district communication preferences.
   c. Click on Preferences button to edit account information.
Computer Club is for students who are interested in exploring technology and computers beyond the regular computer class curriculum. Participants are involved in STEM – Science, Technology, Engineering and Math activities that are activity, project, and problem-solving based. Students gain skills in communication, collaboration, critical-thinking, and creativity.

There is no cost for the club but students will need to bring their ChromeBook, earbuds, and a 3 ring binder. Computer Club begins on Monday, October 9th, and will meet every other Monday after school until 3:45. Please be sure to pick your child up on time.

Please cut here and turn in the bottom portion.

Computer Club Sign-Up Sheet

You must have this form signed by a parent in order to attend.

My child has permission to join Computer Club!

Please return to Mrs. Kretzer in Room 32 on or before October 9th.
What is Fitness Club, you ask? Fitness Club was established to provide students with an opportunity to better develop healthy eating and exercise habits in a fun and challenging atmosphere.

Health teachers, Mrs. Porter and Mrs. Olive, will supervise students for an hour right after school every Thursday until 3:45pm. Students can choose between exercises in the weight room, running or walking in the hallways, circuit training, relays, games and other co-ed activities. On days where the weather permits, we will be going outside.

Each year we plan to go on a fitness related fieldtrip at a minimal fee to encourage lifelong healthy habits. In the past, we have gone to the YMCA, BGSU Ice Arena, SkyZone, The International Boxing Club, Wildwood Athletic Club and more. This years’ location is yet to be decided.

We also encourage our members to advocate for other organizations that promote fitness. We have joined volunteers for “Girls on the Run” at The University of Toledo, “The Glass City Marathon” in Sylvania and others. Be on the watch for these worthwhile activities.

To offset the expense of snacks and to help supplement T-shirts and fieldtrips, there is a one-time participation fee of $5.00.

So… gather up your friends and join us for some healthy fun!!!

________________________________________________________________________________________

Fitness Club Permission Slip

My child has permission to join Fassett Fitness Club!

Students’ name: ____________________________ Grade: _____

Stride Teacher: _____________________________

Emergency contact/Name____________________ Phone#______________

**NUTRITION BITES:**

- Dairy provides 74% of the vitamin D in young children’s diets
- More than half of whole grains are eaten at breakfast
- Kids who eat breakfast tend to perform better in school and have fewer disciplinary problems. Breakfast also tends to help kids stay alert
- Starting every day the whole grain way gives kids and teens B vitamins, minerals, and fiber to feel fuller longer so they stay alert to concentrate at school
- A full cup of fruit is available every day, providing nutrients that are important for kids’ health, such as potassium, dietary fiber, vitamin C, and folate (folic acid).

**THIS INSTITUTION IS AN EQUAL OPPORTUNITY PROVIDER**

---

**OTHER DAILY SELECTIONS:**

- **ENTREES**
  - Assorted Cereals
  - Whole Grain Breakfast Bars
  - Vitamin Enriched WG Pastries
  - Yogurt
  - Milk Choice
