Parents of Incoming 8th Grade Students, August, 2018

Oregon City Schools will once again be offering the annual Washington D.C. trip to all 8th grade students at Fassett Jr. High. This year’s trip will take place in May of 2019 on dates still to be determined.

This has been an educational learning experience for 8th graders over the years and we look forward to having a great trip in the spring of 2019. This trip is a major event for all involved that requires long term planning and organization. At this time we have not finalized any prices for the trip as costs depend on the total # of students going, but we expect the trip to be in the $550-$600 range per person for next year.

Our biggest concern at this time is getting an accurate count of how many students and chaperones would be interested in going. Therefore on the bottom of this form you will find a letter of intent which will signify whether your son/daughter intends to go on the trip. There will be an informational meeting about the trip in September, as well as a review of the deposit and payment information. There will be a $100 non-refundable/non-fundraised deposit for students and chaperones that will need to be made to Scholastica by Oct. 31, 2018. All deposits made after this date will be put on a waiting list.

If you have any questions regarding the trip please contact Mr. Corey Slovak at cslovak@oregoncs.org

Yes, my student (student name) ________________________________ is intending to go on the Washington DC trip. I understand that this letter of intent and the follow up October non-refundable deposit will determine the number of students and chaperones going. After October 31, any student who wishes to go will be put on the waiting list.

To ensure a safe and enjoyable trip, student behavior in school throughout the year will be a strong determining factor on eligibility. Any combination of 2 ISS (in-school suspensions) and/or O.S.S. (out of school suspensions) will disqualify a student from the trip. There will be no refunds.

Please bring this letter of intent to Registration Day at Fassett in August.
