Over the past few weeks, health classes have been learning about the brain and nervous system. Along with exploring the 3 major parts of the brain and the actions that each part controls, students learned about the dangers of Traumatic Brain Injury and concussions. We stressed the need to care for our nervous systems’ including the importance of wearing protective gear in sports. Later, they examined optical illusions and brain tricks. This week they will be making play-doe models of the brain. You would be impressed with what they now know!!
Make a Difference!

Reach out and help...

Our Health classes are collecting personal grooming items to assist the Women’s Shelter and Toledo Family House. We will be packaging them up in festive gift bags to be handed out individually to the ladies. We know that these items make a real difference to those in need.

You can help by bringing in any sample size hygiene products that you may have at home. If you’ve collected items from hotels or would like to purchase a few sample size items to donate, they would be greatly appreciated. Our students will wrap them up in goodie bags and add a little personal message of encouragement.

**Suggested items include:**

- Shampoo/conditioner
- Hand sanitizer
- Hand/body lotion
- Chap-stick/lip gloss
- Combs/brushes
- Toothbrush/toothpaste
- Cologne/body spray
- Soap/body wash

**Thank you** in advance for your generosity and for teaching your child empathy for others!!

**Mrs. Olive and Mrs. Porter**

*Note: All items should be delivered to Mrs. Olive (rm. 40) or Mrs. Porter (rm. 42)*
Would you...could you ... be on the stage?
Come on- try it! It's all the rage!
