NEW INFORMATION:

Say Something Call to Action Week: Nearly every week we are hearing about school shootings somewhere across the country. To help bring awareness of what to watch for, student council will engage our student body in Sandy Hook Promise’s “Say Something” Week. Students will participate in valuable activities throughout the week during Academic Assist time. By participating in Say Something Week, we will join hundreds of school and youth organizations across the country in promoting a culture of inclusion and connectedness as well as awareness to warning signs and what to do when we see them. Each morning, student will learn important facts about gun violence and our planned activities during the announcements as well.

Monday - February 25th - #HeyDay
- Smiley Faces to Start the Day - Warm Welcome - Sometimes all it takes is a smile!
- Students will be provided name tags to wear throughout the day. This is a great way for students to put a name with a face of students they pass in the halls and share the same lunch period. They can start with “Hello my name is….” In addition, we will encourage all students to ensure that no one sits alone at lunch this week.

Tuesday - February 26th - #SaySomething
- A video will be shown to students to provide some background on why it’s important to “Say Something”.

Wednesday - February 27th - #Upstander
- Upstander pledge cards will be handed out during Academic Assist for students to keep. Students will read the pledge and then say the pledge together.

Thursday - February 28th - #Knowthesigns
- Students will view a follow up video that portrays a student who is “showing signs” of potential violence and how we need to be more aware of others around us. We will also have some follow up discussion questions for this video to be shown during Academic Assist.

Friday - March 1st - #WearGreenDay
- Pictures will be taken during lunch of students in green. We will have a photo opportunities before school and during lunch for students to take pictures with props.

Financial Literacy News: In Financial Literacy this week, our 7th grade students will be learning about banking. We will take a look at all the services that banks and credit unions provide. Students will learn important tasks like keeping a running balance, and reconciling an account. The goal is to have students be well informed of services that they can utilize and be more comfortable walking into a financial institution to confidently charge of their finances. 8th grade students will be finishing up learning about credit cards and how to be responsible when using them. They have learned how credit cards work and how many people can easily find themselves in deep debt. We will cap off this unit with a credit card project where students will design and create their own credit card. They will have to make the card enticing to others with perks and rewards, along with sensible APR’s and fees. The cards will then be displayed in the hallway for everyone to see.

Challenger Learning Center Field Trip: this week (Feb. 25th – Feb. 26th), the remaining seventh graders will be going to Challenger Learning Center. Mrs. Davis’s classes will be going Monday and Tuesday. Students have all been given informational letters to take home.

Blood Drive: our annual Blood Drive takes place this Wednesday, February 27th. Please see the attached flyer for details, and thank you in advance for your support!

Track and Field: Track and Field sign ups continue, and are open to any Fassett student Track and Field includes a variety of running events, from sprints of 100 meters up to one mile, field events such as Long Jump, High Jump and Pole Vault, and throwing events, such as shot put and discus. Last year we were the largest team in the district. Let’s have another great turnout! Stop by the round table outside Mr. Maletich’s office and sign up today.

Fassett Eagle Athletic Yard Signs: Are you proud of your Eagle? Proudly display a yard sign for the entire community to see! Clay High School Athletic Boosters are providing the opportunity to order yard signs for your Fassett athlete. Please see the attached flyer for details and to order.

YMCA Programs: see the attached flyers for programs available through the YMCA. Programs begin the week of March 3rd.
REMINDERS:

**PBIS at Fassett:** as part of our Positive Behavior Intervention and Support (PBIS) efforts at Fassett, we have identified **Be Respectful, Be Responsible, and Be Ready** as our priority expectations for positive behavior. A Matrix of Expectations has been developed, which provides students a framework of guidance on what it means to **Be Respectful, Be Responsible, and Be Ready** in every area at Fassett. Recently, all students received a copy of the Matrix of Expectations, which was reviewed during grade-level meetings. On-going teaching of expectations will take place as well. We are using “Eagle Cards” to acknowledge students who are meeting the expectations to **Be Respectful, Be Responsible, and Be Ready**. Each Tuesday, cards for five 7th graders and five 8th graders will be drawn. These “Eagles of the Week” will be rewarded with a Friday lunch with a friend, during which time they will be able to use their electronic device. We are excited about this initiative, and look forward to continuing to create a positive school climate at Fassett. Please take time to review the attached Matrix of Expectations with your student(s), and encourage him/her to show their Eagle Pride by **Being Respectful, Responsible, and Ready** in all they do! Thank you for your support!
