Computer Class News: 8th grade computer class students have been learning how to use the Google Sheets spreadsheet program. They began by practicing formatting the spreadsheet by merging cells, changing text direction, and how to add sheets and name and change their color. They found how to use the spreadsheet to solve math problems by using formulas and functions. Their final project was to create artwork by using spreadsheets. 7th grade Computer class students are working with Google Drawings. They have learned how to create WordArt, insert and format lines and shapes, and to group, crop, order, and rotate them. The 7th graders will be moving on to Google Slides next with a project about the Seven Wonders of the World.

REMINDERS:

PBIS at Fassett: as part of our Positive Behavior Intervention and Support (PBIS) efforts at Fassett, we have identified Be Respectful, Be Responsible, and Be Ready as our priority expectations for positive behavior. A Matrix of Expectations has been developed, which provides students a framework of guidance on what it means to Be Respectful, Be Responsible, and Be Ready in every area at Fassett. Recently, all students received a copy of the Matrix of Expectations, which was reviewed during grade-level meetings. On-going teaching of expectations will take place as well. We are using “Eagle Cards” to acknowledge students who are meeting the expectations to Be Respectful, Be Responsible, and Be Ready. Each Tuesday, cards for five 7th graders and five 8th graders will be drawn. These “Eagles of the Week” will be rewarded with a Friday lunch with a friend, during which time they will be able to use their electronic device. We are excited about this initiative, and look forward to continuing to create a positive school climate at Fassett. Please take time to review the attached Matrix of Expectations with your student(s), and encourage him/her to show their Eagle Pride by Being Respectful, Responsible, and Ready in all they do! Thank you for your support!

Track and Field: Track and Field sign ups continue, and are open to any Fassett student Track and Field includes a variety of running events, from sprints of 100 meters up to one mile, field events such as Long Jump, High Jump and Pole Vault, and throwing events, such as shot put and discus. Last year we were the largest team in the district. Let’s have another great turnout! Stop by the round table outside Mr. Maletich’s office and sign up today. Track and Field begins Monday, March 4th.
