NEW INFORMATION:

ALEKS March Madness Contest Winners! Congratulations to Oklahoma State, winners of this year’s March Madness Contest! Oklahoma State team members are: Point Guard, Katlyn Druckenmiller, Shooting Guard, Alivia Dioletti, Small Forward, Kelsey Osborne, Power Forward, Marissa Zviski, and Center, Kassidy Bauer. These ladies completed 152 topics in the final game to secure their championship! Congratulations to all students, as our 7th graders completed approximately 4,000 topics during March Madness!

Vocal Music and Performing Arts News!: the 7th and 8th Grade Choir will present their final concert of the year on Monday, May 6 at 7:00 PM entitled Front Row Center! Join us as the choir and soloists perform several selections from Broadway shows and movies including: The Lion King, 13, The Sound of Music, Wicked, Mulan, and many more.

Congratulations to Macy Strauss and Clara Steele for their beautiful performances at OMEA Solo and Ensemble on Saturday, March 30. Macy was given the rating of I - Superior, and Clara was given the rating of III - Good. Both girls represented Fassett Junior High very well and received excellent feedback from the adjudicator.

Exciting changes are coming for next year! Our performing arts course offerings and opportunities will be greatly expanded as we debut a new Musical Theatre Career-Tech performing arts program at Clay (Grades 9-12), and a new Musical Theatre course (Grades 7 & 8) at Fassett. Mr. Snee will be teaching the new courses at Clay and Mrs. Elizabeth Gibson (Jerusalem Elementary music teacher) will be moving to Fassett to lead the choir and to teach our new Musical Theatre course, entitled Center Stage. If your child is interested in these new classes and they have not already enrolled, please contact Mr. Snee for more information.

Spring Book Fair: the Spring Book Fair is open! Our annual Spring Book Fair takes place Friday, April 12-Thursday, April 18th, and is open during our STRIDE period.

OCS STEM Academy: Does your child like to build, solve problems, and create solutions? Would your child like to be a member of a team that learns about science, technology, engineering and math? If you answered YES, they may be interested in becoming a member of the OCS STEM Academy. Members of the OCS STEM Academy will work in teams to create robots built from Legos that will be programmed to perform specific tasks to accomplish a goal. No prior programming experience is necessary. In December, our combined Ike/Fassett teams will compete with other area teams. Last year we were able to send five teams to a regional competition at Toledo Tech Academy, three of which advanced to the district competition in Sylvania. It’s a great experience for our students, and we are very happy to be able to offer this opportunity to your child. Information is available from your child’s teacher (elementaries) or the school office (Ike and Fassett) starting Friday, April 12 or can be found online at http://tinyurl.com/welovebots. Registration are due no later than Friday, May 3.

OCS Preschool Information: OCS preschool is currently enrolling students for the 2019-2020 school year. Please see the attached flyer for details.

Clay High School Band Fundraiser: see the attached flyer for details on the Clay High School Band fundraiser taking place this Wednesday, April 17th, from 4:00-7:00 p.m., at Tony Packo’s Café.

UT Lake Erie Science Center Summer Camp: please see the attached flyer for camps for students who will be in grades 4-8 next year. Info is also available at: http://www.utoledo.edu/nsm/lec/sciencecamp.html
REMINDERS:

**Dress Code:** as warmer weather approaches, please take time to review the dress code policy, which can be found on page 12 of the Fassett Handbook: [https://www.oregoncityschools.org/Downloads/2018-19FassettHandbook.pdf](https://www.oregoncityschools.org/Downloads/2018-19FassettHandbook.pdf)

**PBIS at Fassett:** as part of our Positive Behavior Intervention and Support (PBIS) efforts at Fassett, we have identified **Be Respectful, Be Responsible, and Be Ready** as our priority expectations for positive behavior. A Matrix of Expectations has been developed, which provides students a framework of guidance on what it means to **Be Respectful, Be Responsible, and Be Ready** in every area at Fassett. A copy of the Matrix of Expectations is attached. Please take time to review the attached Matrix of Expectations with your student(s), and encourage him/her to show their Eagle Pride by **Being Respectful, Responsible, and Ready** in all they do! Thank you for your support!

**Staff Shout-Out:** the Staff Shout Out is a way for students to recognize and acknowledge staff members for being Respectful, Responsible, and Ready. Staff Shout Out slips are available in the office areas, classrooms, and cafeteria. When you see a staff member being Respectful, Responsible, or Ready, fill out a slip, and turn the slip in to one of the Staff Shout Out boxes (similar to the Eagle Card boxes), which are located in the office area and the cafeteria. On Fridays, we'll draw Staff Shout Out slips, and staff members will receive cool prizes! We feel it is important for staff members to model being Respectful, Responsible, and Ready for students, and want students and staff members to acknowledge, celebrate, and recognize them when they do!

**Clay High School Alumni and Friends Association (CHIFA):** please see the attached flyers for information on the CHIFA’s annual Groove in the Grove and Alumni Golf Outing.

**Oregon Parks & Rec Newsletter:** the Oregon Rec offers Art, Fitness and Sporting events for Youth & Adults? All information is located in our quarterly newsletter. Sign up: [https://oregonrec.recdesk.com/Community/Page?pageId=609](https://oregonrec.recdesk.com/Community/Page?pageId=609)

**YMCA Activities and Programs:** the YMCA is currently offering numerous programs. Please see the attached flyers.

**Agenda Books:** all students have been issued an agenda book. Students are required to carry their agenda book with them at all times. Agenda books will be the only way a student will be issued a hall pass as well. Replacement agenda books cost $5.00 and are available in the office.

**Attendance Reminder:** Please be sure you are sending in notes for your student's absences. As a reminder, legitimate/excused reasons to be absent from school are: 1. Personal illness with doctor’s note stating that the child is unable to attend school on given day(s) 2. Medical Excuse 3. Death in the family 4. Religious Observance 5. Quarantine 6. Court Subpoena 7. Family Vacation: one vacation approved in advance, as described in the student handbook.

**District Flyers:** go here for information and events taking place in our school community.

**School Breakfast and Lunch:**
- If sending payment in, please have him/her take the payment directly to the cafeteria, before school.
- Pre-payment of student accounts is available here.
- School lunch may be purchased for $3.00. School breakfast may be purchased for $1.50.
- Information on free and reduced meals, as well as a downloadable application, is available here.
- The August lunch menu can be found here.

Learn gymnastics skills in this 3 day camp, designed for the active toddler! This camp is open to toddlers who would like to try gymnastics for the first time, those that have previous gymnastics experience, and those that just want to have fun! Skills worked on in this camp include strength, balance, coordination, flexibility, focus and gross motor skills. Each day will include a gymnastics lesson, open gym time, and conclude with a splash in the pool!

What to bring everyday:
- Water bottle
- Swimsuit
- Towel

**SWAN LAKE BALLET CAMP**

**June 24-28**
**11am-1pm**
Ages 5-12

**Members $55**
**Program Participants $115**

This week long camp will introduce students to the world of classical ballet and all that goes into putting on a complete ballet performance. Over the course of the camp we will learn the story of Swan Lake, ballet steps that are used, go through the audition process (but don’t worry! All camp participants will get a part), and conclude with a final showcase of our version of Swan Lake. During the final showcase, camp participants will perform a condensed version of Swan Lake featuring the ballet steps they learned throughout the week. Friends and family are invited to watch the final showcase!

What to bring everyday:
- Ballet flats
- Leotard or tshirt with legging style shorts (no baggy shorts please)
- Hair up and out of your dancer’s face
- Water bottle
- Small snack for break
- Swimsuit and towel to cool off in the pool at the end of each day

For the final showcase, your child will need a white outfit for their costume. This can be a white leotard, or white t-shirt/tank top and white/light colored shorts or skirt. All other costume accessories and props will be provided.

**ART EXPLORER CAMP**

**July 22-26**
**9:30am-11am**
Ages 6-12

**Members $45**
**Program Participants $90**

Students will explore and create with painting, sculpture, and drawing. The students will be learning a wide variety of techniques with many different materials to improve and develop their artistic skills.

Please be sure to label all of your child’s belongings.

Program Participants PT (1–3 days) $130 a week, FT (4–5 days) $160 a week

The kids enrolled in our child care program will participate in a program that will focus on STEM (science, technology, engineering and math). Each week, there will be lessons and projects that help engage the students and promote learning. The children enrolled will participate in swimming three times a week. We will be providing swim lessons to the kids in the younger grades or anyone who needs it. There is a field trip planned each week for the students to, hopefully, experience new things! Lunch and afternoon snack are provided.
young women’s summer institute

July 14–20, 2019 | Columbus, Ohio

Introducing young women to exciting STEM careers

The Young Women’s Summer Institute (YWSI) gives Ohio’s middle school girls a unique opportunity to gain valuable computer, math, science and engineering skills through hands-on, collaborative projects. Students entering the seventh or eighth grade are encouraged to apply for this weeklong program. YWSI girls develop a deeper interest in science, technology, engineering and math (STEM) as they use the latest computer technology to solve complex, real-world science and engineering challenges with a team of peers.
