Fassett Five: we are very excited to introduce the Fassett Five this year! The Fassett Five is simply a way of structuring students to promote positive climate and positive behaviors through purposeful building of relationships and fun and friendly competition. See details below:
- Students and teachers have been organized into 5 Houses (Red, Black, Blue, Purple, and Orange) based on their STRIDE class.
- STRIDE classes are randomly mixed. Every teacher has a combination of 7th and 8th graders. Students may be assigned to a STRIDE teacher who is not on their regular class schedule.
- Every Friday will be a Fun Friday! On Fridays, during STRIDE, students and teachers will participate in relationship- and team-building activities.
- Houses will accumulate points throughout the year, with incentives on a monthly and quarterly basis. The winning house will get a big incentive at the end of the year!
• High Five cards (formerly Eagle cards) are given to students, by staff members, to acknowledge Respectful, Responsible, and Ready behavior. High Five cards earned by students will contribute to the point total for their House.
• Once a month, houses will meet for a house meeting in the auditorium.
• Once a month we will hold an all-school meeting. These uplifting assemblies/pep rallies will be held to announce students of the month, update students on House points, and possibly give away some prizes.

Football Fridays at Clay High School: check out the flyer below for this season’s Football Friday themes. Be sure to come out and show your support of your Clay Eagles football team!

Oregon-Northwood 5k Run/Walk: the Rotary’s 5K run/walk takes place Saturday, September 7th, at Fassett Junior High School. Proceeds from the run directly pay for Fassett 7th graders to visit Challenger Learning Center each year. Please see the attached flyer for details, and share this with anyone that might be able to enjoy this event!

Oregon Parks & Recreation: the Oregon Rec offers Art, Fitness and Sporting events for Youth & Adults. See the attached brochure for details, and attached calendar for Fitness Court classes. Sign up here for the quarterly newsletter.

Picture Retakes: if you did not have your picture taken on Orientation Day, picture retakes will take place on Tuesday, September 17th.

PBIS at Fassett: as part of our Positive Behavior Intervention and Support (PBIS) effort at Fassett, we have identified Be Respectful, Be Responsible, and Be Ready as our primary expectations for positive behavior. Our Matrix of Expectations provides students a framework of guidance on what it means to Be Respectful, Be Responsible, and Be Ready in every area at Fassett. We use “High Five” cards to acknowledge students who are meeting the expectations to Be Respectful, Be Responsible, and Be Ready. Each Friday, student cards are drawn. These “Eagles of the Week” will be rewarded with a Friday lunch with a friend, during which time they will be able to use their electronic device. Please take time to review the attached Matrix of Expectations with your student(s), and encourage him/her to show their Eagle Pride by Being Respectful, Responsible, and Ready in all they do! Thank you for your support!

8th grade Health students have been working on “What is Health?” by understanding the importance of balancing health and the factors that influence it. Heredity is one of many factors that impact on our overall health and while we cannot change that, most diseases are preventable by choosing a healthy lifestyle. Students have engaged in conversations with their families by filling out a family medical history tree. Then, they were then able to identify any possible health risks and ways to reduce their risk. Goal setting is an important life skill and can be used to make changes to our health. We are currently practicing how to write S.M.A.R.T goals to make improvements for a healthier lifestyle. The week will wrap up with discussing the important role of self-esteem in our every day life and ways to improve it.

This Notice of Privacy Practices explains how we may use and disclose your protected health information (PHI) to carry out treatment, payment or health care operations (TPO) and for other purposes that are permitted or required by law. It also describes your rights to access and control your protected health information. “Protected health information” is information about you, including demographic information, that may identify you and that relates to your past, present or future physical or mental health condition and related health care services.

USES AND DISCLOSURES OF PROTECTED HEALTH INFORMATION

We may also call you by name in the waiting room when your care provider or pharmacist is ready to see you. We may use or disclose your protected health information, as necessary, to contact you to remind you of your appointment, and inform you about treatment alternatives or other health-related benefits and services that may be of interest to you.

We may use or disclose your protected health information in the following situations without your authorization. These situations include: as required by law, public health issues as required by law, communicable diseases, health oversight, abuse or neglect, food and drug administration requirements, legal proceedings, law enforcement, coroners, funeral directors, organ donation, research, criminal activity, military activity and national security, workers’ compensation, inmates, and other required uses and disclosures. Other Permitted and Required Uses and Disclosures will be made only with your consent, authorization or opportunity to object unless required by law. You may revoke the authorization, at any time, in writing, except to the extent that your care provider’s practice or HPWO Pharmacy has taken an action in reliance on the use or disclosure indicated in the authorization.
