Fassett Five: we are very excited to introduce the Fassett Five this year! The Fassett Five is simply a way of structuring students to promote positive climate and positive behaviors through purposeful building of relationships and fun and friendly competition. See details below:

- Students and teachers have been organized into 5 Houses (Red, Black, Blue, Purple, and Orange) based on their STRIDE class.
- STRIDE classes are randomly mixed. Every teacher has a combination of 7th and 8th graders. Students may be assigned to a STRIDE teacher who is not on their regular class schedule.
- Every Friday will be a Fun Friday! On Fridays, during STRIDE, students and teachers will participate in relationship- and team-building activities.
- Houses will accumulate points throughout the year, with incentives on a monthly and quarterly basis. The winning house will get a big incentive at the end of the year!
- High Five cards (formerly Eagle cards) are given to students, by staff members, to acknowledge Respectful, Responsible, and Ready behavior. High Five cards earned by students will contribute to the point total for their House.
- Once a month, houses will meet for a house meeting in the auditorium.
- Once a month we will hold an all-school meeting. These uplifting assemblies/pep rallies will be held to announce students of the month, update students on House points, and possibly give away some prizes.

Our Matrix of Expectations provides students a framework of guidance on what it means to Be Respectful, Be Responsible, and Be Ready in every area at Fassett. We use “High Five” cards to acknowledge students who are meeting the expectations to Be Respectful, Be Responsible, and Be Ready. Each Friday, student cards are drawn. These “Eagles of the Week” will be rewarded with a Friday lunch with a friend, during which time they will be able to use their electronic device. Hi Fassett Families!

In case you didn’t know there is a new choir director/theater teacher here at Fassett. My name is Elizabeth Gibson and I have been a teacher in Oregon City Schools for the past 22 years. I’ve taught at Wynn, Starr and Jerusalem. I have also been the assistant director of the Limelighters at Clay for a little over 20 years as well. This year has been a big change for me, but I have felt very welcomed by the staff, students and parents here. I feel blessed to have such a wonderful support system around me. Now for the news........

Things have been busy in the choir room at Fassett so far this year! We are off to a great start! Eagle Voices are preparing for their first concert of the year. Please plan on joining us on October 15th in the auditorium at 7pm! The kids are sounding great and having so much fun. Ask them about our daily “Forbidden Pattern” and see if I finally beat them!

Center Stage is a new class being offered this year at Fassett. It is a group of students that have chosen to work on their acting skills. We have been doing that by playing a number of different improvisational games. I am so proud of how they have been really stepping out of their comfort zones and putting themselves out there in front of their classmates. Our next step will be to do some small scenes with partners. The students are doing a great job!

Please feel free to contact me if you have any questions!

Mrs. Gibson

Today more than ever, the arts are needed by our young people as a forum for safe expression, communication, exploration, imagination, and cultural and historical understanding.

The School of Art at Bowling Green State University is proud to offer youth art classes each semester for children ages 5-19.

Young people will develop their creative abilities, increase their artistic skills and learn about art of the past and present. All classes involve hands-on participation.

Classes: Classes meet for 10 Saturdays each semester from 10:00-11:30am.

• For Fall of 2019, classes will be meeting September 21st - November 23rd.

• For Spring of 2020, classes will be meeting February 22nd - May 9th.
  (no classes on March 21st or April 11th)

Fee per semester: $79, plus $10 material fee (tuition support maybe available each semester for families in financial need)

Class descriptions, registrations and waiver forms can be located on the BGSU School website. Go to http://www.bgsu.edu/arts-and-sciences/school-of-art/community-engagement/saturday-art-program.html or by E-mailing Shari Densel, Director of the BGSU Saturday Children’s Art Program at saturdayart@bgsu.edu

Children interested in these classes will need to be preregistered by mailing, faxing or emailing the forms as indicated on them. Class sizes will remain low so pre-registration is required. If you have any questions, please don’t hesitate to email,
