Fassett Five: we are very excited to introduce the Fassett Five this year! The Fassett Five is simply a way of structuring students to promote positive climate and positive behaviors through purposeful building of relationships and fun and friendly competition. See details below:
- Students and teachers have been organized into 5 Houses (Red, Black, Blue, Purple, and Orange) based on their STRIDE class.
- STRIDE classes are randomly mixed. Every teacher has a combination of 7th and 8th graders. Students may be assigned to a STRIDE teacher who is not on their regular class schedule.
- Every Friday will be a Fun Friday! On Fridays, during STRIDE, students and teachers will participate in relationship- and team-building activities.
- Houses will accumulate points throughout the year, with incentives on a monthly and quarterly basis. The winning house will get a big incentive at the end of the year!
- High Five cards (formerly Eagle cards) are given to students, by staff members, to acknowledge Respectful, Responsible, and Ready behavior. High Five cards earned by students will contribute to their House point total.
- Once a month, houses will meet for a house meeting in the auditorium.
- Once a month we will hold an all-school meeting. These uplifting assemblies/pep rallies will be held to announce students of the month, update students on House points, and possibly give away some prizes.

We use “High Five” cards to acknowledge students who are meeting the expectations to Be Respectful, Be Responsible, and Be Ready. Each Friday, student cards are drawn. ART NEWS

Students taking art this semester have been busy creating some amazing art. Seventh grade students are busy working on drawing charcoal animals using charcoal sticks and pencils. This is part of a value unit, which students learned about creating a full range of value as well as a variety of drawing techniques. Eighth grade students just finished painting color wheels and are now starting on their portraits paintings. Each student has the option to create a portrait of themselves, a celebrity or athlete. These paintings are painted on a 16”x20” canvas board with acrylic paint.

Today more than ever, the arts are needed by our young people as a forum for safe expression, communication, exploration, imagination, and cultural and historical understanding.

The School of Art at Bowling Green State University is proud to offer youth art classes each semester for children ages 5-19.

Young people will develop their creative abilities, increase their artistic skills and learn about art of the past and present. All classes involve hands-on participation.

**Classes:** Classes meet for 10 Saturdays each semester from 10:00-11:30am.

- **For Fall of 2019,** classes will be meeting September 21st – November 23rd.

- **For Spring of 2020,** classes will be meeting February 22nd – May 9th.
  (no classes on March 21st or April 11th)

**Fee per semester:** $79, plus $10 material fee *(tuition support maybe available each semester for families in financial need)*

Class descriptions, registrations and waiver forms can be located on the BGSU School website.
