Oregon City Schools Emergency Contact Information: The Oregon City Schools have two very important points of contact for our school community and for the public community to contact our schools. The phone number and email address will be monitored daily. Neither the phone number nor email address are intended to replace 911 or to replace calling the police in an emergency or threatening situation; rather, it will be a common and consistent way to report school district safety-related concerns.

To report an emergency concern/tip please call: 419-698-6030
To report an emergency concern/tip please email: emergency@oregoncs.org

Fassett Five: we are very excited to introduce the Fassett Five this year! The Fassett Five is simply a way of structuring students to promote positive climate and positive behaviors through purposeful building of relationships and fun and friendly competition. See details below:
- Students and teachers have been organized into 5 Houses (Red, Black, Blue, Purple, and Orange) based on their STRIDE class.
- STRIDE classes are randomly mixed. Every teacher has a combination of 7th and 8th graders. Students may be assigned to a STRIDE teacher who is not on their regular class schedule.
- Every Friday will be a Fun Friday! On Fridays, during STRIDE, students and teachers will participate in relationship- and team-building activities.
- Houses will accumulate points throughout the year, with incentives on a monthly and quarterly basis. The winning house will get a big incentive at the end of the year!
- High Five cards (formerly Eagle cards) are given to students, by staff members, to acknowledge Respectful, Responsible, and Ready behavior. High Five cards earned by students will contribute to their House point total.
- Once a month, houses will meet for a house meeting in the auditorium.
- Once a month we will hold an all-school meeting. These uplifting assemblies/pep rallies will be held to announce students of the month, update students on House points, and possibly give away some prizes.

Our Matrix of Expectations provides students a framework of guidance on what it means to **Be Respectful, Be Responsible, and Be Ready** in every area at Fassett. We use **“High Five” cards** to acknowledge students who are meeting the expectations to **Be Respectful, Be Responsible, and Be Ready**. Each Friday, student cards are drawn. These **“Eagles of the Week”** will be rewarded with a Friday lunch with a friend, during which time they will be able to use their electronic device. News From The Band Room

Hello Fassett Families,

My name is Tyler Lentz and I am the new band director at Fassett Junior High. Prior to this year I spent the past 7 years at Cardinal Stritch Catholic High School where I was the band and choir director for grades 5-12. In addition to my responsibilities at Fassett I have also been helping Mr. Kuzdzal at Clay High School with the marching band and will be the pep band director for the high school basketball games.

We are in full swing in the band world at Fassett. In 8th grade band students have been preparing for the 8th Grade Band Night where the 8th grade band will be joining the high school band at the football game on Friday, October 4. Students have learned the, “Clay Fight Song” as well as, “The Magnificent Seven” in preparation for Friday’s game. Come out and join us!

In 7th grade band we have begun practice for our Holiday Concert. Yes, that means that we are playing Christmas Music in October. I have been pushing the students by learning their Bb Scale as well as giving them challenging music. They are doing a fantastic job!

Finally, in our percussion class, students have explored what a percussion instrument is by making sounds with “found” instruments such as hangers, shoes, and marbles. We have also begun a lesson on the 40 snare drum rudiments.

Thank you to everyone who has helped make me feel welcome and a part of the Fassett community at Oregon City Schools. Feel free to contact me with any questions.

Mr. Lentz

Fassett Fitness Club 2019-2020

What is Fitness Club, you ask? Fitness Club was established to provide students with an opportunity to better develop healthy eating and exercise habits in a fun and challenging atmosphere.

Health teachers, Mrs. Porter and Mrs. Olive, will supervise students for an hour right after school every Thursday until 3:45pm. Students can choose between exercises in the weight room, running or walking in the hallways, circuit training, relays, games and other co-ed activities. On days where the weather permits, we will be going outside.

Each year we plan to go on a fitness related fieldtrip at a minimal fee to encourage lifelong healthy habits. In the past, we have gone to the YMCA, BGSU Ice Arena, SkyZone, The International Boxing Club, Wildwood Athletic Club and more. This year’s location is yet to be decided.

We also encourage our members to advocate for other organizations that promote fitness. We have joined volunteers for “Girls on the Run” at The University of Toledo, “The Glass City Marathon” in Sylvania and others. Be on the watch for these worthwhile activities.

To offset the expense of snacks and to help supplement fieldtrips, there is a one-time participation fee of $5.00.

So... gather up your friends and join us for some healthy fun!!
