8th Grade Health Class Update: 8th grade Health students have been learning all about proper nutrition and determined an estimate about their individual calorie intake, how to compare and contrast food labels and ways to make physical activity an important part of their everyday life. This week, they are applying what they have learned to research fast food nutritional information. They were allowed to choose their fast food place and pick from one of two options for this project. One of the assignment requirements is to include a healthier meal or food options at their fast food establishment. Many students shared how shocked they were at the calories, total fat and sodium in majority of the food. Convenient does not always mean healthy. Ask them about some nutrition tips they can share about making healthier food choices! ~ Mrs. Porter.

Fassett Five: we are very excited to introduce the Fassett Five this year! The Fassett Five is simply a way of structuring students to promote positive climate and positive behaviors through purposeful building of relationships and fun and friendly competition. See details below:
- Students and teachers have been organized into 5 Houses (Red, Black, Blue, Purple, and Orange) based on their STRIDE class.
- STRIDE classes are randomly mixed. Every teacher has a combination of 7th and 8th graders. Students may be assigned to a STRIDE teacher who is not on their regular class schedule.
- Every Friday will be a Fun Friday! On Fridays, during STRIDE, students and teachers will participate in relationship- and team-building activities.
- Houses will accumulate points throughout the year, with incentives on a monthly and quarterly basis. The winning house will get a big incentive at the end of the year!
- High Five cards (formerly Eagle cards) are given to students, by staff members, to acknowledge Respectful, Responsible, and Ready behavior. High Five cards earned by students will contribute to their House point total.
- Once a month, houses will meet for a house meeting in the auditorium.
- Once a month we will hold an all-school meeting. These uplifting assemblies/pep rallies will be held to announce students of the month, update students on House points, and possibly give away some prizes.

Fassett Parent Group (FPO) Information: Fassett parents group could use your help with some events this year. The first we are providing our hardworking teachers with dinner on conference day. Second, we will be doing a large event with your students during the school day, this will probably be early in the second semester. More details to come. We will definitely need your help with this. Third, is the 8th grade send-off dance. Students will decide/vote on a theme. Fourth is Fun Day. We are looking to restructure this event. So, we need some new ideas and input. We need parent help at every event. Shela Stringham, FPO President, 419-320-0935 & Vivian Stuller, FPO Vice President.

Kroger Community Rewards: help support Fassett by enrolling in Kroger’s Community Rewards program! It’s easy and free to enroll! The phone number and email address will be monitored daily. Neither the phone number nor email address are intended to replace 911 or to replace calling the police in an emergency or threatening situation; rather, it will be a common and consistent way to report school
district safety-related concerns.
To report an emergency concern/tip please call: 419-698-6030
To report an emergency concern/tip please email: emergency@oregoncs.org

PBIS at Fassett: as part of our Positive Behavior Intervention and Support (PBIS) effort at Fassett, we have identified Be Respectful, Be Responsible, and Be Ready as our primary expectations for positive behavior. Our Matrix of Expectations provides students a framework of guidance on what it means to Be Respectful, Be Responsible, and Be Ready in every area at Fassett. We use “High Five” cards to acknowledge students who are meeting the expectations to Be Respectful, Be Responsible, and Be Ready. Each Friday, student cards are drawn. These “Eagles of the Week” will be rewarded with a Friday lunch with a friend, during which time they will be able to use their electronic device. Please take time to review the attached Matrix of Expectations with your student(s), and encourage him/her to show their Eagle Pride by Being Respectful, Responsible, and Ready in all they do! Thank you for your support!

Fassett Fitness Club 2019-2020

What is Fitness Club, you ask? Fitness Club was established to provide students with an opportunity to better develop healthy eating and exercise habits in a fun and challenging atmosphere.

Health teachers, Mrs. Porter and Mrs. Olive, will supervise students for an hour right after school every Thursday until 3:45pm. Students can choose between exercises in the weight room, running or walking in the hallways, circuit training, relays, games and other co-ed activities. On days where the weather permits, we will be going outside.

Each year we plan to go on a fitness related fieldtrip at a minimal fee to encourage lifelong healthy habits. In the past, we have gone to the YMCA, BGSU Ice Arena, SkyZone, The International Boxing Club, Wildwood Athletic Club and more. This years’ location is yet to be decided.

We also encourage our members to advocate for other organizations that promote fitness. We have joined volunteers for “Girls on the Run” at The University of Toledo, “The Glass City Marathon” in Sylvania and others. Be on the watch for these worthwhile activities.

To offset the expense of snacks and to help supplement fieldtrips, there is a one-time participation fee of $5.00.

So... gather up your friends and join us for some healthy fun!!!
