**Oregon Health & Welfare Christmas Food Basket Program:** the Oregon Health and Welfare program in partnership with the City of Oregon, is committed to serving the needs of our community including the elderly and those with limited income. It is an organization managed by volunteers and operates solely on contributions made by businesses, individuals and other organizations. Your donations help purchase meat, milk, butter, bread, juice, fruits, veggies and basic products for needy families residing in our community. Canned goods, non-perishable food items, cleaning products, personal hygiene products, and toys are collected throughout the community and help to fill the holiday baskets. If you would, please consider helping with these efforts either through a monetary donation to the Oregon Health and Welfare Committee, purchase of various food items, or volunteering your time to help take applications or assist with the packaging of the items on December 15 or with the distribution of the holiday baskets on December 16. Boxes will be placed in the center vestibule of the Municipal Complex for your canned goods, non-perishable items, and toys. Please click [here](#) to volunteer or [here](#) to donate. Yvonne Thoma-Patton has done a wonderful job as chairperson for this worthwhile program for many years; if you have any questions, please reach out to her directly at 419-836-0559.
