NEW INFORMATION:

Attendance Incentives: we appreciate how many students (222) had perfect attendance the week of November 16-20th. Beginning this week, we will hold weekly gift card drawings to reward perfect attendance. Students who are logged-in to every class, every day, Monday, Tuesday, Thursday, and Friday, will be eligible for the weekly drawing. Keep up the great work, Eagles!

Picture Day for ODA Students and Re-takes: due to the extension of remote learning, the picture day for Oregon Digital Academy students and re-takes for Fassett students will be rescheduled. Please look for more information soon.

Remote Learning: as was detailed in the communication from Superintendent Gregory dated November 25th, remote learning has been extended through at least January 11, 2021. Fassett will continue to follow the schedule implemented since November 16, 2020. Schedules are attached this update. If you have any questions, please feel free to contact Principal Gibbs at 419.693.0455 or pgibbs@oregoncs.org.

REMINDERS:

Assignment Planning Boards: Assignment Planning (AP) Boards serve as a resource for parents/guardians to reference daily and weekly assignments, links to teachers' classroom web pages, and teacher introduction videos.

Attendance (Reporting Absences): under remote, hybrid, and full learning, if your student misses school due to illness, please continue to use our Attendance Hotline at 419.697.9911. A medical note is still required for an excused absence.

City or Oregon - Oregon Recreation Holiday Activities: the City of Oregon's Recreation Department is once again hosting activities during the upcoming holiday season. Please click [here](#) for details, and see attached flyers.

Connecting Meals to Kids, Dinners at the Oregon Branch Library: provides free dinners Monday-Friday to anyone 18 and younger. Meals are available 4:00-5:00 p.m. at the Oregon Branch Library. No reservation required.

COVID Letter to Parents: please see below for important COVID-related information from our District Nurse, Cherie Sexton. Please review symptoms-related information for students returning to and attending school.

Oregon Health & Welfare Christmas Food Basket Program: the Oregon Health and Welfare program in partnership with the City of Oregon, is committed to serving the needs of our community including the elderly and those with limited income. It is an organization managed by volunteers and operates solely on contributions made by businesses, individuals and other organizations. Your donations help purchase meat, milk, butter, bread, juice, fruits, veggies and basic products for needy families residing in our community. Canned goods, non-perishable food items, cleaning products, personal hygiene products, and toys are collected throughout the community and help to fill the holiday baskets. If you would, please consider helping with these efforts either through a monetary donation to the Oregon Health and Welfare Committee, purchase of various food items, or volunteering your time to help take applications or assist with the packaging of the items on December 15 or with the distribution of the holiday baskets on December 16. Boxes will be placed in the center vestibule of the Municipal Complex for your canned goods, non-perishable items, and toys. Please click [here](#) to volunteer or [here](#) to donate. Yvonne Thoma-Patton has done a wonderful job as chairperson for this worthwhile program for many years; if you have any questions, please reach out to her directly at 419-836-0559.

Technology Issues: please continue to send tech-related issues to student_techhelp@oregoncs.org. If at school, students with physical Chromebook damage should report to room 45.

YMCA Digital Program Guide: please click [here](#) for the YMCA's digital program guide.
