Fassett Five: we are very excited to introduce the Fassett Five this year! The Fassett Five is simply a way of structuring students to promote positive climate and positive behaviors through purposeful building of relationships and fun and friendly competition. See details below:

- Students and teachers have been organized into 5 Houses (Red, Black, Blue, Purple, and Orange) based on their STRIDE class.
- STRIDE classes are randomly mixed. Every teacher has a combination of 7th and 8th graders. Students may be assigned to a STRIDE teacher who is not on their regular class schedule.

- Every Friday will be a Fun Friday! On Fridays, during STRIDE, students and teachers will participate in relationship- and team-building activities.
- Houses will accumulate points throughout the year, with incentives on a monthly and quarterly basis. The winning house will get a big incentive at the end of the year!
- High Five cards (formerly Eagle cards) are given to students, by staff members, to acknowledge Respectful, Responsible, and Ready behavior. High Five cards earned by students will contribute to their House point total.
- Once a month, houses will meet for a house meeting in the auditorium.
- Once a month we will hold an all-school meeting. These uplifting assemblies/pep rallies will be held to announce students of the month, update students on House points, and possibly give away some prizes.

Fassett Parent Group (FPO) Information: Fassett parents group could use your help with some events this year. The first we are providing our hardworking teachers with dinner on conference day. Second, we will be doing a large event with your students during the school day, this will probably be early in the second semester. More details to come. We will definitely need your help with this. Third, is the 8th grade send-off dance. Students will decide/vote on a theme. Fourth is Fun Day. We are looking to restructure this event. So, we need some new ideas and input. We need parent help at every event. Shela Stringham, FPO President, 419-320-0935 & Vivian Stuller, FPO Vice President.

Kroger Community Rewards: help support Fassett by enrolling in Kroger's Community Rewards program! It's easy and free to enroll! When you link your Shopper's Card, every purchase you make provides funds for Fassett. Plus, you'll earn fuel points at the same time. To enroll, click here and follow the simple instructions. If you know of someone who is interested or if you are interested, please open the attached flyer and follow the application directions.

Oregon City Schools Emergency Contact Information: the Oregon City Schools have two very important points of contact for our school community and for the public community to contact our schools. The phone number and email address will be monitored daily. Neither the phone number nor email address are intended to replace 911 or to replace calling the police in an emergency or threatening situation; rather, it will be a common and consistent way to report school district safety-related concerns.
To report an emergency concern/tip please call: 419-698-6030
To report an emergency concern/tip please email: emergency@oregoncs.org

Oregon Parks & Recreation Department: the Oregon Rec offers art, stem, culinary, fitness and sporting events for youth & adults. Sign up here for the quarterly newsletter. See attachments for program information as well.

PBIS at Fassett: as part of our Positive Behavior Intervention and Support (PBIS) effort at Fassett, we have identified **Be Respectful, Be Responsible, and Be Ready** as our primary expectations for positive behavior. Our Matrix of Expectations provides students a framework of guidance on what it means to **Be Respectful, Be Responsible, and Be Ready** in every area at Fassett. We use **"High Five" cards** to acknowledge students who are meeting the expectations to **Be Respectful, Be Responsible, and Be Ready**. Each Friday, student cards are drawn. These **"Eagles of the Week"** will be rewarded with a Friday lunch with a friend, during which time they will be able to use their electronic device. Please take time to review the attached Matrix of Expectations with your student(s), and encourage him/her to show their Eagle Pride by **Being Respectful, Responsible, and Ready** in all they do! Thank you for your support!

Fassett Fitness Club 2019-2020

What is Fitness Club, you ask? Fitness Club was established to provide students with an opportunity to better develop healthy eating and exercise habits in a fun and challenging atmosphere.

Health teachers, Mrs. Porter and Mrs. Olive, will supervise students for an hour right after school every Thursday until 3:45pm. Students can choose between exercises in the weight room, running or walking in the hallways, circuit training, relays, games and other co-ed activities. On days where the weather permits, we will be going outside.

Each year we plan to go on a fitness related fieldtrip at a minimal fee to encourage lifelong healthy habits. In the past, we have gone to the YMCA, BGSU Ice Arena, SkyZone, The International Boxing Club, Wildwood Athletic Club and more. This years' location is yet to be decided.

We also encourage our members to advocate for other organizations that promote fitness. We have joined volunteers for "Girls on the Run" at The University of Toledo, "The Glass City Marathon" in Sylvania and others. Be on the watch for these worthwhile activities.

To offset the expense of snacks and to help supplement fieldtrips, there is a one-time participation fee of $5.00.

So... gather up your friends and join us for some healthy fun!!!
