REMINDERS:

8TH Grade Visit and Open House, Clay High School: On Thursday, November 4th, 8th graders will visit Clay High School to learn more about offerings and programs and to tour the school. On Tuesday, November 9th, Clay High School will host an Open House. All 8th graders and parents/guardians are welcome and encouraged to attend.

Academic Practice Boards: Each Fassett teacher places Academic Practice (AP) assignments for the week on their respective grade level's AP Board. Please use this valuable resource to ensure your child is staying up-to-date with his/her assignments. AP Boards can be found here on the OCS website, or via the links below.

After-School Academic Practice (AP) Program: The AP program is an opportunity for students to stay after school to complete academic practice (homework). If a student does not complete his/her academic practice, his/her parent/guardian will be contacted, and provided the option to stay after school for the AP program. If the student completes his/her academic practice during the AP program, he/she will receive credit for the work. **The AP program takes place in the library, after school, until 3:40 p.m., Monday through Friday.** Students must arrange for a ride home from the AP program.

Agenda Books: Students are required to carry their agenda book with them at all times. Along with our Digital Hall Pass, agenda books are the only way a student will be issued a hall pass. Replacement agenda books cost \$5.00.

Attendance: Please contact the Fassett Attendance Hotline at 419.697.9911 if your child is going to be absent from school, or if he/she is in need of an early dismissal due to a medical appointment or family emergency. A medical note is required for an excused absence. Notes can be sent to school with students.

Classroom Disruptions Due to Student Items: We make every effort possible to avoid disrupting classrooms. When an item needs to be dropped off for a student, please communicate via email or text to your child. Your child is able to check his/her email throughout the day, and is able to check his/her cell phone during homeroom and lunch. If an item needs to be picked up from the office, the most convenient times are during homeroom, academic assist, and at the end of the school day. Classrooms will no longer be called to inform students of an item in the office. Thank you in advance for your support in our effort to limit disruptions to the educational process.

Clay High School Med Tech's Baby/Pet Sitting Class: Clay High School's Med Tech program is once again hosting a baby/pet sitting class for interested 5th-8th graders. The classes will take place on **November 15th and November 17th, from 4:00-7:30 p.m.**, at Clay High School. The cost of the program is \$45, which includes all supplies and a meal each day. School, with transportation from Eisenhower and Fassett provided. Water and pizza at the end of camp will be provided. Parents/guardians will pick up athletes from Clay High School.

Electronic Devices: Students are permitted to bring their personal electronic device (i.e., cell phone) to school. With the exception of the time (7:20-7:50 a.m.) before school when students are in Homeroom, during lunch, and times with direct permission from a staff member, students are not permitted to use a personal electronic device. Students may lock their personal electronic device in their locker. If a student chooses to keep their personal electronic device with them during the school day, he/she must place the personal electronic device in their bookbag or the classroom cell phone holder.

Explanation of Free and Reduced for 2021-2022 School Year Only: For the 2021-2022 school year, all students are eligible for free breakfast and lunch. Households with new students to the district including kindergarten students should fill out a free and reduced form. Households with an increase in income should reach out to Food Services prior to filling out an application. Households with a decrease in income that were not on free and reduced last year should fill out a free and reduced form. Households that were approved for free and reduced for years 2019-2020 and/or 2020-2021 do not need to fill out a new application. Filling out a new application could result in families losing benefits for the 2021-2022 school year. All applications from 2019-2020, 2020-2021, and 2021-2022 will be good for the first 30 days of the 2022-2023 school year. Fee waivers and EBT cards are based on free and reduced data from 2019-2020, 2020-2021, and 2021-2022 school years.
