**Jerusalem Elementary is on Twitter:**
Jerusalem’s Twitter account is now active. Please follow us @JerusalemJets to see some of the great things happening at Jerusalem Elementary!

**Lunchroom Procedures Update:**
The Cafeteria Staff at Jerusalem are implementing a change regarding how to handle student behavior during lunch time. We realized that there has been an important piece missing, and that is communication between the cafeteria and home.

There are now communication cards that will be passed out to a student when he/she is misbehaving. The card checks off what a student has done to violate a rule; and on the back, it has a quick note to parents explaining why the card is going home and what action was taken during lunch (warning, moved seat, missed recess, referral, etc.).

The card will not be sent home for every minor thing; however, if there is a student that is causing major or frequent problems they will be receiving cards. These cards can also be used as a positive reinforcement for good behavior if there is a student identified as needing extra help.

The goal is to empower everyone working in the cafeteria to handle discipline situations in a structured, and timely manner vs. waiting for the problem to be handled after recess by the student’s homeroom teacher. It helps students to see an immediate response to problem situations, and it will be an easy way to communicate home to parents when there is a problem.

The cards will be shown and explained to the student before being given to the student’s teacher to be sent home. There is a spot on the back of the card for parents to sign and return. This will help us to know that the card has made it into the right hands 😊

Thank you for your support in helping to make lunch time great!

**Parent Pick-up Expectations:**
For your student’s safety: Please remember to have the adult that is picking up your child(ren) have one of your assigned “pick-up cards”. If they do not have a card, they will be asked to check your child(ren) out through the main office. Thank you for your help in keeping our students safe!

**Important Reminder! Morning Drop-Off Routine:**
Please see the following important information involving morning drop-off routine for students.

- Please drive slowly.
- Please drop off your student(s) at or close to the entrance.
- Please stay in the car drop-off line, until your child(ren) exits the vehicle. Do not drive around other vehicles, to move ahead in line, or to exit the lot.
- Please have any and all children in your vehicle exit on the building/driver side of the vehicle.
- Do not park in the parking line. It is preferred that students are dropped off at the entrance rather than walked into the building. If you need to enter the building for an appointment, you must park your vehicle in a parking space.

Thank you for following these procedures, as we all work together to make the arrival process safe for students, parents, and staff.

PBIS Update:
Jerusalem Elementary has adopted a school wide discipline system called PBIS (Positive Behavior Interventions and Supports). “PBIS is a way for schools to encourage good behavior. With PBIS, kids learn about behavior, just as they learn other subjects like math or science. The key to PBIS is prevention, not punishment.” PBIS is a proactive approach when dealing with student discipline. It focuses on building a positive climate through consistency and communication. The goal of PBIS is to limit classroom disruptions, and increase classroom instruction.

MATRIX (Jerusalem Elementary Flight Plan): The PBIS “Matrix” is a set of school wide guidelines detailing expected behaviors in all common areas of the building. The “Matrix” outlines the behaviors and expectations needed for all students to be RESPECTFUL, RESPONSIBLE, and READY. The “Matrix” also includes the Voice Level expected in all of the common areas of the building. A “Voice Meter” which is located throughout the building details the Voice Level expected by all of the students.

ClassDojo:
ClassDojo is a communication app for the classroom. It connects teachers, parents, and students who use it to share photos, videos, and messages through the school day. They use ClassDojo to work together as a team, share in the classroom experience, and bring big ideas to life in their classrooms and homes. Jerusalem teachers may be using ClassDojo in a variety of ways within their classroom throughout the school year. Not all teachers are currently using this tool within their classroom at this time, as it is their choice. Some teachers will continue to communicate with parents through email, phone, newsletters, etc. However, we encourage you to sign up for ClassDojo to receive important building updates/messages from Mr. Straka. Information on signing up for ClassDojo will be sent home from your child’s teacher.

OCS FLYER Distribution Center:
Oregon City Schools has a Flyer Distribution Center with the purpose of communicating school and community information in a centralized location. Many of the flyers for district-
wide and non-OCS events and activities you might normally find in this newsletter, will now be posted on this centralized site. Please visit the site here: http://www.oregoncityschools.org/209-district/1168-ocs-flyer-distribution-center

**School Fees:**
School fees can be paid in the building with cash or check. Also, fees can be paid through EZ PAY, or with credit cards at the HS or Admin building.

**Re-Registration of Students:**
Just a reminder to re-register you student(s) in the Oregon City Schools Parent Portal. This must be done each year. If there are any questions, please contact the office at 419-836-6111. This needs to be completed to ensure we have the correct contact information, and give permission for field trips, computer usage, student handbooks, and photographs.

I. ATTENDANCE

OREGON SCHOOLS ATTENDANCE POLICY

"The parent or other person having the care of a child of compulsory school age [ages six to eighteen - ORC 3321.01] is responsible for that child’s school attendance. That responsibility is satisfied by attendance at either a school or special education program, which meets the minimum standards prescribed by the State Board of Education. The responsibility of parents for the attendance of school-age children ends when (1) the child receives a high school diploma, (2) successfully completes the high school curriculum or, if a handicapped student, his/her individualized education program, (3) the child is excused from school attendance under an age and schooling certificate, or (4) the child is excused from school or special education program attendance under rules prescribed by the State Board of Education." (ORC 3321.04)

Truancy Policy

Regular school attendance is an important ingredient in students’ academic success. Excessive absences interfere with students’ progress in mastering knowledge and skills necessary to graduate from high school prepared for higher education and the workforce. To support academic success for all students, the district will partner with students and their families to identify and reduce barriers to regular school attendance.

A “habitual truant” student is any child of compulsory age who is absent without a legitimate excuse for:

1) 30 or more consecutive hours (4.5 days) without a legitimate excuse*
2) 42 or more hours (6.25 days) in one month without a legitimate excuse*
3) 72 or more hours (10.5 days) in one year without a legitimate excuse*

*Legitimate/excused reasons to be absent from school are:
1) Personal illness with doctor’s note stating that the child is unable to attend school on given day(s)
2) Medical Excuse
3) Death in the family
4) Religious Observations
5) Quarantine
6) Court Subpoena
7) Family Vacation (as approved per policy below)

*Unacceptable reasons for being absent/tardy from school may include but are not limited to: oversleeping, car trouble, missing the bus, ride did not show up, shopping, haircut, beauty shop appointments, babysitting, out-of-school suspension, truancy, family errands, hunting, non-school sponsored activities or sporting events, non-treatment of head lice or other absences not listed as excused. A doctor appointment does not constitute an automatic excused absence.

When a student is habitually truant, the following will occur:

1) Within seven (7) days of the triggering absence, the district will:
   • select members (2 representatives from the school, parents/guardians, and student) for the Absence Intervention Team (AIT)
   • make three attempts to secure the student’s parent or guardian’s participation on the AIT
2) Within ten (10) days of the triggering absence, the student will be assigned to the selected AIT
3) Within fourteen (14) days after the assignment of the team, the district will develop the student’s Absence Intervention Plan

DEAR PARENT/CAREGIVER,

Reading is at the heart of education, and the only way to get better at reading is to do it! To help encourage your child to “read their heart out” this year, our classroom is participating in the BOOK IT! Program. Here is how it works, along with a few ideas for how to get involved at home.

**AT SCHOOL**

- Each month from October through March, I will set a reading goal for your child.
- I will read aloud in class, show my love for reading and instill a love of reading in your child.
- When the goal is met, I will celebrate the achievement by recognizing your child with a Reading Award Certificate in front of the whole class!

**AT HOME**

- Review the goal with your child, and set aside time at home to read every day.
- Be a role model by reading yourself and reading to or with your child to show that you, too, value books and love reading.
- When your child achieves their monthly goal, make it a celebration! You can redeem your child’s Reading Award Certificate for a free, Personal Pan Pizza, Reading Journal and sticker at Pizza Hut. So, make it a date! That special one-on-one time can make your child’s reading achievement even sweeter!

Sincerely,
