Oregon Health and Welfare Christmas Basket Program:

The Oregon Health and Welfare Christmas Basket program is where many of the student council-run drives donate to. Student Council also visits their site and helps pack the items before they are distributed to families and facilities. Please take a moment to read about this program.

*If you know someone in need of assistance, please pass this information along.

October 2023

Dear Parents,

The holiday season is fast approaching.

Oregon Health and Welfare is a not-for-profit organization that started the Christmas Basket program 60 years ago and serves the communities of Oregon, Harbor View, Curtice and Jerusalem Township. The organization is made up of volunteers and operates on donations from businesses, individuals, community organizations and help from Oregon schools. Every year students are asked to help with fundraising for the program or to participate in food drives of non-perishable food items or toys. Donated items are greatly appreciated by the recipients.

Last year canned goods, fresh fruits, vegetables, dairy products, meat, baking supplies, bread, cleaning products and personal hygiene items were distributed to 286 households. The program provided toys to 59 children under the age of 12 in our community. The success of the 2023 Christmas Basket program depends on your generosity and willingness to help your neighbors.

If you or someone you know is in need of assistance this holiday season please share the following information:

The 2023 Holiday Food Basket program is available to residents of the City of Oregon, Curtice (Must live in Lucas County), Harbor View and Jerusalem Township.

Families and individuals in need of food assistance may request a food basket by completing an application each Monday in November beginning November 6th from 11:00am-1:00pm at the City of Oregon Municipal Complex in the Community Room located at 5330 Seaman Road Oregon.

A touchless application process will also be in place the month of November near the city Tax and Water drop box.

Apply in person with a valid drivers license or photo ID and proof of income (W2, Social Security, welfare or paystub). Applications will be cross referenced with the Toledo Area Christmas Clearing Bureau.

If you have questions about the program, would like to make a donation or inquire about eligibility requirements please contact oregonhealthandwelfare@gmail.com or call (419)836-0559

NEWS RELEASE-OCS CELEBRATES 2023 REPORT CARD

OREGON CITY SCHOOLS PROUD OF PERFORMANCE

Oregon City Schools (OCS) is celebrating the student growth documented by the latest 2023 state report card. This report card uses a FIVE star rating system to document performance of the overall district and each individual school. The OCS Board of Education, teachers and administrators have been working very hard for years adapting to the changing educational environment, adjusting curriculum, cultivating internal culture and assisting individual students to achieve success. OCS continues to improve and provide excellence in Academics, Athletics and the Arts.

We are excited about the academic progress we are making and want our community to celebrate with us. OCS maintained or increased our Star ratings in all 27 categories measured. Here is a summary of the overall ratings:

| | |
|-----------------------------------------------|------------------|
| OCS Overall District Rating: | **** 4 Stars |
| OCS Career Technical Rating: | ***** 5 Stars |
| Clay High School Overall District Rating: | **** 4 Stars |
| Fassett Junior High Overall District Rating: | ***/* 3.5 Stars |
| Eisenhower Int. Overall District Rating: | ****/* 4.5 Stars |
| Coy Elementary Overall District Rating: | ***** 5 Stars |
| Jerusalem Elementary Overall District Rating: | ****/* 4.5 Stars |
| Starr Elementary Overall District Rating: | ****/* 4.5 Stars |

Oregon City Schools offers a wide variety of programs and courses throughout the district. We are very proud of the extra-curricular and co-curricular activities available in our schools as well as the many career technical programs offered at Clay High School. OCS has something for everyone, no matter what pathway a student wants to pursue. We educate a variety of students with disabilities along with programs for gifted and talented. We value the education of every student!

OCS teachers, support staff and leaders are dedicated to implementing educational programs and services which make a difference in a young person's life while providing a safe and secure environment. The state report card is just one measure of our total educational system, but an important one.

Thank you to our families and community for the ongoing commitment to Oregon City Schools!

Report Card Information can be found here: <https://reportcard.education.ohio.gov/>

The Oregon City School District adheres to Title VI, Title IX, ADA, and Section 504; thus, does not discriminate in educational programs and employment practices on the basis of race, color, national origin, age, sex or handicap.

Zones of Regulation:

Throughout the past couple of school years, a select group of teachers have been introducing the idea of ZONES into their classrooms. At this point, students in grade K-3 have a good foundation about this self-regulation program. Please take a moment to read the letter created by Mrs. Kellar, summarizing the idea behind ZONES.

The **ZONES** of Regulation is a valuable tool for helping elementary students recognize and manage their emotions, which is crucial for their social and emotional development. It's designed to help children understand and communicate their feelings and, in turn, develop self-regulation skills. When children understand their emotions, how those emotions affect their behavior, and how to self-regulate, they are able to achieve an optimal state of alertness. This program has been introduced to students in grades K through 3rd grade.

The program categorizes emotions into four color-coded zones:

- **Blue Zone** (Sad, Tired, Sick, or Slow): In this zone, children might feel sad, tired, or unwell. They may feel like resting or needing comfort.
- **Green Zone** (Happy, Calm, Focused, or Ready to Learn): This is the ideal zone for learning and socializing. Children in the green zone feel calm, focused, and ready to engage with their peers and learning activities.
- **Yellow Zone** (Excited, Frustrated, Worried, or Anxious): In this zone, children experience heightened emotions. They might feel anxious, excited, or frustrated. It's a signal to be aware and use self-regulation strategies.
- **Red Zone** (Angry, Scared, Terrified, or Excited or Explosive): This is the zone where strong and intense emotions are felt. Children might feel very angry, scared, or out of control. It's essential to help them regulate back to the green zone from the red zone.

Learning to use the Zones includes self-regulation strategies such as deep breathing, mindfulness techniques, taking a break, talking to a trusted adult, or using sensory tools like fidgets or stress balls. Parents are encouraged to work with their children on identifying which strategies work best for them.

Parents play a crucial role in reinforcing the concepts taught in the Zones of Regulation program. They can practice the program's language at home, provide a safe space for their child to express their feelings, and model appropriate emotional regulation.

ClassDojo:

ClassDojo is a communication app for the classroom. It connects teachers, parents, and students who use it to share photos, videos, and messages through the school day. They use **ClassDojo** to work together as a team, share in the classroom experience, and bring big ideas to life in their classrooms and homes. Jerusalem teachers may be using ClassDojo in a variety of ways within

their classroom at this time, as it is their choice. Some teachers will continue to communicate with parents through email, phone, newsletters, etc. **However, we encourage you to sign up for ClassDojo to receive important building updates/messages from Mr. Straka.** Information on signing up for ClassDojo will be sent home from your child's teacher.

Cell Phones and other electronic devices:

Just a reminder that all cell phones, smartwatches, and other personal electronic devices must be turned off and placed in the student's lockers upon arriving at school. These devices are often a distraction to students, and are not permitted to be with students during the day. Thanks for your cooperation!

From the Office:

School fees can be paid in the office.

As we are starting to wear coats, please write your students name in the coat/sweatshirt/hoodie somewhere. There are MANY lost items in the Gym hallway.

Parent pickup at the end of the day. All calls should be made by 3:00 and no later. This will give the teacher time to check messages and drastically reduce the possibility of the student being in the wrong line. Thank you for your understanding.

Deliveries for Students:

Jerusalem Elementary has implemented a system for items to be delivered to students once the day begins. **Please leave items on the table outside the office door**, complete the delivery log, and notify the secretary of your delivery. Thanks for your cooperation!

School Supplies:

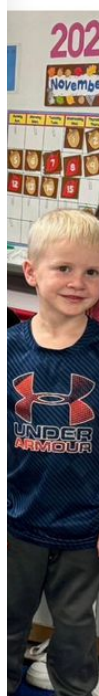

This year, we have decided to purchase a variety of school supplies for each classroom to start the year. This allowed us to decrease the number of items that parents are responsible for purchasing.

For a list of school supplies for each grade level, click [here](#).

Morning Drop-Off Routine:

Please see the following important information involving the morning drop-off routine for students. Students will not be permitted to enter the building until **8:50 am**. Please do not let your child(ren) exit the vehicle until the main entrance doors are opened. Thanks for your cooperation!

- Please drive **slowly**.
- Please drop off your student(s) **between** the Safety Markers (plastic figures with flags). Do not drop off outside of this zone.
- Please stay in the car drop-off line until your child(ren) exits the vehicle. Do not drive around other vehicles to move ahead in line, or to exit the lot.
- Please have any and all children in your vehicle exit on the **building/driver side** of the vehicle.
- **Do not park in the drop off line.** We need to keep the traffic moving. It is preferred that students are dropped off in the identified zone, rather than walked into the building. If you need to enter the building for an appointment you must park your vehicle in a parking space, and carefully walk your child(ren) into the building.

Thank you for following these procedures, as we all work together to make the arrival process safe for students, parents, and staff.

Parent Pick Up Cards:

If you plan on picking up your child(ren) from school, please see Mrs. Freimark in the office for a set of Parent Pick Up Cards unless you have yours from last year.

Student Dismissal:

To help with the flow of traffic, parent pick-up students will be dismissed to the main entrance beginning at 3:30 pm. Please be sure to have your pick-up card out, and your child(ren)'s card attached to their book bag in a visible location. Please be patient with this process. If you don't have a parent pick-up card, you will be asked to enter the office and provide your ID.

Pick up cards will be available to be signed out on the 17th, 18th and 21st. Please stop in the office.

For your child(ren)'s safety, we will only release students to parents/guardians with matching pick-up cards that are waiting in the lobby.

From Officer Jeff:

Have a great weekend!

From Nurse Libbi:

Happy Fri-Yay!! Enjoy the nice weather and your weekend.

Grade Level and Team Updates:

Kindergarten- We are almost done with the alphabet with only 3 letters to go! This week we will focus on the letter Xx. There are no new words this week due to the short week so keep practicing the words that have already been sent home. We will also be talking about Thanksgiving and completing Thanksgiving activities this week. Thanksgiving break is November 22-26 with students returning to school on November 27. Have a great Thanksgiving and remember to keep track of your reading for the November reading log.

1st Grade- Next week is Thanksgiving week! We will see students Monday and Tuesday next week. To celebrate Thanksgiving, our first graders will be reading "A Plump and Perky Turkey" by Teresa Bateman and completing activities that go along with that book. We will be discussing traditions families share, as well, to get into the holiday spirit! For math, students will continue to add to 20 using strategies taught. Lastly, there will not be any spelling next week. We hope you have a great weekend!

2nd Grade- Next week second graders are looking forward to Thanksgiving and sharing their Thanksgiving project on Monday and Tuesday! Keep in mind the presentation should be related to Thanksgiving and parents are encouraged to help with this project! All projects are due Monday, November 20th! This week information was sent home regarding our 2nd grade "Postcard Campaign" from our 50 states. Please help us collect a postcard from each of our 50 states by asking your friends/relatives who live in another state, to send a postcard to your child's class!

Event+Response=Outcome (E+R=O). Our RESPONSE should show RESPECT.

POP TABS:

As we have done in the past, we are collecting POP tabs for the Ronald McDonald House. These get cashed in for money for their food program. It may not seem like anything to us as we throw them in the recycling bin, but it does have weight and value to them. Just have your child turn them into the office and we will deliver them to the Ronald McDonald House.

Box Tops for Education

Local stores that you can scan receipts and Jerusalem will get credit for any items that qualifies.... COSTCO, Kroger, WalMart and Meijer. Help us earn money while you are shopping. Thank you.

Dear Families,

During this challenging time, our teachers and students need more help than ever. No matter what school looks like, Box Tops for Education is a fast and easy way for you to help out from home.

The Box Tops program has been around for over 20 years, and it really works. In fact, Box Tops for Education has helped give almost a billion dollars to schools since 1996. In 2019, the program evolved to become digital so that you can earn for your school with just the touch of a button.

HERE'S HOW IT WORKS: Buy participating products and use the Box Tops mobile app to scan your store receipt. The app identifies eligible products and automatically adds Box Tops to your school's earnings online. Even if you're shopping online or doing grocery pickup, you can still submit your e-receipts and earn Box Tops. Twice a year, our school gets a check!

Your earnings may seem small, but they really do add up. The more people that participate, the bigger the impact we can make. So let's give our teachers the support they need and help give more kids the opportunity to dream. **Little by little, we can help make a big difference.**

**DON'T HAVE THE APP YET?
