IMPORTANT INFORMATION AND UPDATES:

From Mr. Straka and the office:

It was a short week, but a busy one! Thanks to everyone that showed up to parent conferences on Tuesday. Your involvement in your child's education is crucial to their success! Have a great weekend.

4th Grade STEM Club

If your child is interested in learning about science and programming Lego models, please complete the online registration at <https://bit.ly/OCSSTEM4> no later than **Friday, March 8**. You can also access the registration form by scanning the QR code on the right.

OCS STEM Academy – Jerusalem Grade 4

Oregon City Schools STEM (Science, Technology, Engineering, and Math) Academy is offering an opportunity for fourth grade students to participate in after-school STEM activities. Lego Education WeDo 2.0 kits and activities will be used during this session, with students collaborating to complete various projects. Students will learn basic block programming, going beyond just building things with Lego bricks.

Requirements for this program include the ability to work well with others, the desire to learn basic programming skills, and the availability to come to all or nearly all sessions.

We are now registering students for our spring session. Space is limited to 20 fourth grade students. The fun begins immediately after school from 3:30 - 5:00 p.m., and a snack and drink will be provided. The specific dates for this session are:

Thursday, March 14
Thursday, March 21
Tuesday, March 26
Thursday, April 4 - no meeting
Thursday, April 11
Thursday, April 18
Thursday, April 25
Tuesday, April 30

If your child is interested in learning about science and programming Lego models, please complete the online registration at <https://bit.ly/OCSSTEM4> no later than **Friday, March 8**. You can also access the registration form by scanning the QR code on the right.

The OCS STEM Academy is an after-school activity; therefore, parents must provide students with reliable, ON-TIME transportation!

Thank you,

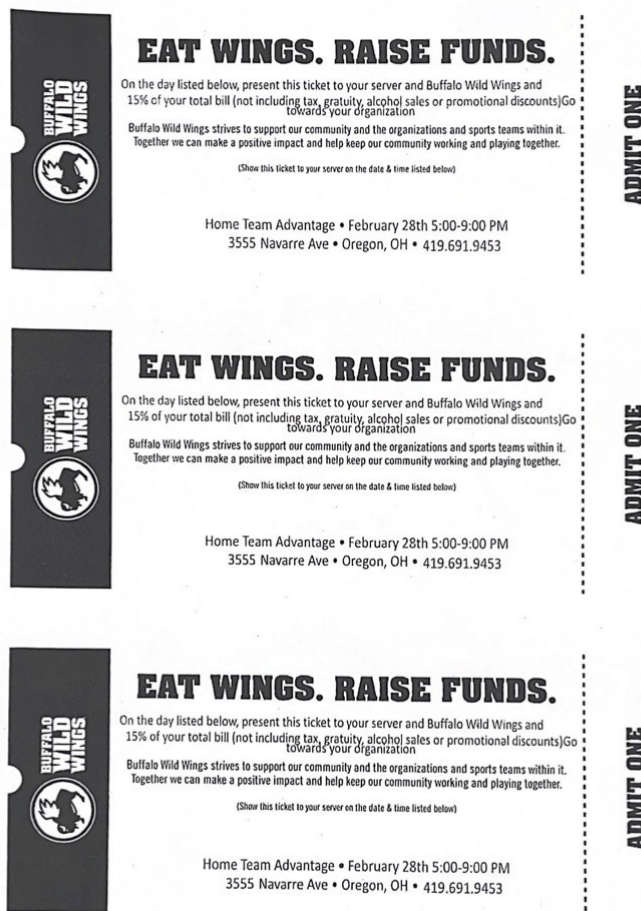

Mrs. Heidi Straka
Jerusalem Advisor

NEWS RELEASE-OCS CELEBRATES 2023 REPORT CARD

OREGON CITY SCHOOLS PROUD OF PERFORMANCE

Oregon City Schools (OCS) is celebrating the student growth documented by the latest 2023 state report card. This report card uses a FIVE star rating system to document performance of the overall district and each individual school. The OCS Board of Education, teachers and administrators have been working very hard for years adapting to the changing educational environment, adjusting curriculum, cultivating internal culture and assisting individual students to achieve success. OCS continues to improve and provide excellence in Academics, Athletics and the Arts.

We are excited about the academic progress we are making and want our community to celebrate with us. OCS maintained or increased our Star ratings in all 27 categories measured. Here is a summary of the overall ratings:

OCS Overall District Rating:	**** 4 Stars
OCS Career Technical Rating:	***** 5 Stars
Clay High School Overall District Rating:	**** 4 Stars
Fassett Junior High Overall District Rating:	***/* 3.5 Stars
Eisenhower Int. Overall District Rating:	****/* 4.5 Stars
Coy Elementary Overall District Rating:	***** 5 Stars
Jerusalem Elementary Overall District Rating:	****/* 4.5 Stars
Starr Elementary Overall District Rating:	****/* 4.5 Stars

Oregon City Schools offers a wide variety of programs and courses throughout the district. We are very proud of the extra-curricular and co-curricular activities available in our schools as well as the many career technical programs offered at Clay High School. OCS has something for everyone, no matter what pathway a student wants to pursue. We educate a variety of students with disabilities along with programs for gifted and talented. We value the education of every student!

OCS teachers, support staff and leaders are dedicated to implementing educational programs and services which make a difference in a young person's life while providing a safe and secure environment. The state report card is just one measure of our total educational system, but an important one.

Thank you to our families and community for the ongoing commitment to Oregon City Schools!

Report Card Information can be found here: <https://reportcard.education.ohio.gov/>

The Oregon City School District adheres to Title VI, Title IX, ADA, and Section 504; thus, does not discriminate in educational programs and employment practices on the basis of race, color, national origin, age, sex or handicap.

Zones of Regulation:

Throughout the past couple of school years, a select group of teachers have been introducing the idea of ZONES into their classrooms. At this point, students in grade K-3 have a good foundation about this self-regulation program. Please take a moment to read the letter created by Mrs. Kellar, summarizing the idea behind ZONES.

The **ZONES** of Regulation is a valuable tool for helping elementary students recognize and manage their emotions, which is crucial for their social and emotional development. It's designed to help children understand and communicate their feelings and, in turn, develop self-regulation skills. When children understand their emotions, how those emotions affect their behavior, and how to self-regulate, they are able to achieve an optimal state of alertness. This program has been introduced to students in grades K through 3rd grade.

The program categorizes emotions into four color-coded zones:

- **Blue Zone** (Sad, Tired, Sick, or Slow): In this zone, children might feel sad, tired, or unwell. They may feel like resting or needing comfort.
- **Green Zone** (Happy, Calm, Focused, or Ready to Learn): This is the ideal zone for learning and socializing. Children in the green zone feel calm, focused, and ready to engage with their peers and learning activities.
- **Yellow Zone** (Excited, Frustrated, Worried, or Anxious): In this zone, children experience heightened emotions. They might feel anxious, excited, or frustrated. It's a signal to be aware and use self-regulation strategies.
- **Red Zone** (Angry, Scared, Terrified, or Excited or Explosive): This is the zone where strong and intense emotions are felt. Children might feel very angry, scared, or out of control. It's essential to help them regulate back to the green zone from the red zone.

Learning to use the Zones includes self-regulation strategies such as deep breathing, mindfulness techniques, taking a break, talking to a trusted adult, or using sensory tools like fidgets or stress balls. Parents are encouraged to work with their children on identifying which strategies work best for them.

Parents play a crucial role in reinforcing the concepts taught in the Zones of Regulation program. They can practice the program's language at home, provide a safe space for their child to express their feelings, and model appropriate emotional regulation.

Monday, March 11, 2024: 6:00 pm (In Person)

Wednesday, May 1, 2024: 6:00 pm (In Person)

ClassDojo:

ClassDojo is a communication app for the classroom. It connects teachers, parents, and students who use it to share photos, videos, and messages through the school day. They use **ClassDojo** to work together as a team, share in the classroom experience, and bring big ideas to life in their classrooms and homes. Jerusalem teachers may be using ClassDojo in a variety of ways within their classroom throughout the school year. Not all teachers are currently using this tool within their classroom at this time, as it is their choice. Some teachers will continue to communicate with parents through email, phone, newsletters, etc. **However, we encourage you to sign up for ClassDojo to receive important building updates/messages from Mr. Straka.** Information on signing up for ClassDojo will be sent home from your child's teacher.

Cell Phones and other electronic devices:

Just a reminder that all cell phones, smartwatches, and other personal electronic devices must be turned off and placed in the student's lockers upon arriving at school. These devices are often a distraction to students, and are not permitted to be with students during the day. Thanks for your cooperation!

From the Office:

School fees can be paid in the office.

As we are starting to wear coats, please write your students name in the coat/sweatshirt/hoodie somewhere. There are MANY lost items in the Gym hallway.

Parent pickup at the end of the day. All calls should be made by 3:00 and no later. This will give the

wrong line. Thank you for your understanding.

Deliveries for Students:

Jerusalem Elementary has implemented a system for items to be delivered to students once the day begins. **Please leave items on the table outside the office door**, complete the delivery log, and notify the secretary of your delivery. Thanks for your cooperation!

School Supplies:

This year, we have decided to purchase a variety of school supplies for each classroom to start the year. This allowed us to decrease the number of items that parents are responsible for purchasing.

For a list of school supplies for each grade level, click [here](#).

Morning Drop-Off Routine:

Please see the following important information involving the morning drop-off routine for students. Students will not be permitted to enter the building until **8:50 am**. Please do not let your child(ren) exit the vehicle until the main entrance doors are opened. Thanks for your cooperation!

- Please drive **slowly**.
- Please drop off your student(s) **between** the Safety Markers (plastic figures with flags). Do not drop off outside of this zone.
- Please stay in the car drop-off line until your child(ren) exits the vehicle. Do not drive around other vehicles to move ahead in line, or to exit the lot.
- Please have any and all children in your vehicle exit on the **building/driver side** of the vehicle.
- **Do not park in the drop off line.** We need to keep the traffic moving. It is preferred that students are dropped off in the identified zone, rather than walked into the building. If you need to enter the building for an appointment you must park your vehicle in a parking space, and carefully walk your child(ren) into the building.

Thank you for following these procedures, as we all work together to make the arrival process safe for students, parents, and staff.

Parent Pick Up Cards:

If you plan on picking up your child(ren) from school, please see Mrs. Freimark in the office for a set of Parent Pick Up Cards unless you have yours from last year.

Student Dismissal:

To help with the flow of traffic, parent pick-up students will be dismissed to the main entrance beginning at 3:30 pm. Please be sure to have your pick-up card out, and your child(ren)'s card attached to their book bag in a visible location. Please be patient with this process. If you don't have a parent pick-up card, you will be asked to enter the office and provide your ID.

Pick up cards will be available to be signed out on the 17th, 18th and 21st. Please stop in the office.

For your child(ren)'s safety, we will only release students to parents/guardians with matching pick-up cards that are waiting in the lobby.

From Officer Jeff:

Be safe!

From Nurse Libbi:

Happy Friday!! I hope everyone is enjoying the Spring Like weather, even the warm rain. The clinic remains busy with reports of Flu, strep throat and gastrointestinal symptoms. Please be mindful of others and if your child is sick to keep them home. If they have fever of 100.4 or greater they must remain home until they are fever free without the use of fever reducing medication. If taking antibiotics for strep throat or pinkeye, they must use these for a full 24hrs before returning to school. Thank you for your compliance, it is greatly appreciated.

Nurse Libbi

Grade Level and Team Updates:

Kindergarten- The end of 3rd quarter is quickly approaching so keep practicing those words at home. We will start testing for grade cards soon. Remember to keep reading for the monthly reading calendar, they are due Friday March 1st.

1st Grade- Next week in first grade, students will be reading and writing words with -nk endings. In Wonders, students will talk about how to classify and categorize things. We'll read "A Lost Button" from Toad and Frog and "Sort It Out". Students will be introduced to r-controlled vowels, as well as new vocabulary. In BigIdeas math, we will begin Chapter 8 in our new Volume 2 math books. Chapter 8 is on mental math, adding 10 and subtracting 10. Lastly, with the quarter coming to an end, we'll begin assessing our quarterly assessments. We hope you have a great weekend and we'll see our students back on Monday!

2nd Grade- Next week we will read various stories from our Wonders Series and will also be discussing slavery and learning about the Underground Railroad. In Math we will begin Chapter 14, Money and Time. The spelling pattern words for the week contain the old, ind, ild spelling patterns. On Monday, your child will come home with information about our 2nd Grade Wax Museum. Your child will need to determine their top THREE choices for the important person they would like to portray. Please help your child choose their top three choices which are appropriate for them. The choice list is due on Monday, March 4, and the students will be notified by Friday, March 8, who they will portray for the Wax Museum! As February is coming to an end, keep in mind the February Reading calendar is due by Friday, March 1. Have a great weekend!

3rd Grade- In our studies next week, we will continue to work on writing informational reports comparing and contrasting two different kinds of penguins in ELA. We will finish learning about the rights and responsibilities of citizens and rules and laws in a community. There will be an assessment next week. In Math, we will be measuring mass and volume.

We have run out of tissues in third grade. If you are able and would like to donate a box, please send it in with your child at your convenience. We received a few boxes on Thursday and Friday. Thank you in advance for your help! Have a great weekend!

4th Grade- Enjoy your weekend! We have a lot of upcoming activities! Please see our news here: <https://wakelet.com/wake/lwrlDNuctzFbR3XPjf8Js>

Physical Education with Mr. Allen- This month we are doing the Kids Heart Challenge in PE class. We are focusing on activities and exercises to strengthen our bodies and improve our cardiovascular endurance. With this, we are doing the Kids Heart Challenge fundraiser for the American Heart Association. The kiddos can earn prizes based on the amount of money they are able to raise for the fundraiser. A flyer was sent home with you all last week.

Also, if you don't want to participate, that is 100% ok. I am asking one thing though. If you could go on the website and register, that would help the school out. If we get 50% of our students to just register online, the school will get a \$500 gift card to [USgames.com](https://www.usgames.com) to order PE equipment. It is literally a free \$500 gift card to this website. There isn't a donation requirement or anything. If you would all be so kind, please go to <http://www2.heart.org/goto/JerusalemElementarySchool> and register.

If you want to participate, you can do so online or send in the donations in the envelop that was attached to the flyer. If you need another flyer, let me know and I will get your child another one.

We are also finishing our 2nd round of Jump Rope Ninja testing. The kids are doing a great job! I will share a list of the grade level leaders next week when we finish it up.

Have a great weekend

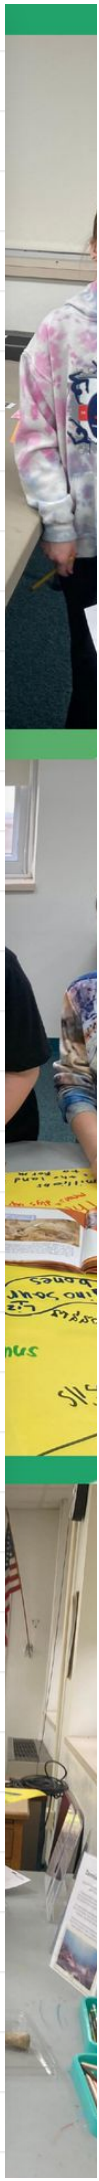

Music with Mrs. Reinhart- The fourth graders are doing a great job with their recorders. Look for "belts" as they pass different levels. Please remind them to have their recorders on their music class days. We do not want students sharing instruments. The third graders are starting Music March madness. They will pick a song as the top one to begin 2024. The K-2 students are getting to work on their songs for our spring performances. Please check ClassDojo for reminders about the dates and times.

This year our performances will begin at 6:30 pm on the Jerusalem stage.
Please add these performance dates to your calendar.

April 23rd - 2nd grade
April 25th - 1st grade

There will also be some assemblies that will be held during the school day that our students will be performing in. There will be more information sent out to the grades involved as we get closer to these assemblies.

STEAM with Mrs. Minnick- This week in STEAM, 4th graders continue to work on cardboard creations. Our second and third graders are using the engineering design practice to design and

build their kindness bow and arrow. Kindergarten and first graders are practicing a tool called Book Creator and doing a science experiment called Magic Milk.

Character Lessons with Mrs. Hower- February has flown by! This month our classroom lessons were focused on CALMING/COPING skills. Kindergarten and 3rd grade focused on Anger Management, while 1st, 2nd, and 4th focused on Calming Skills.

Event+Response=Outcome (E+R=O). Our RESPONSE should show RESPECT.

POP TABS:

As we have done in the past, we are collecting POP tabs for the Ronald McDonald House. These get cashed in for money for their food program. It may not seem like anything to us as we throw them in the recycling bin, but it does have weight and value to them. Just have your child turn them into the office and we will deliver them to the Ronald McDonald House.

Box Tops for Education

Local stores that you can scan receipts and Jerusalem will get credit for any items that qualifies.... COSTCO, Kroger, WalMart and Meijer. Help us earn money while you are shopping. Thank you.

Box Tops for Education income March 2 2023 to November 1 2023..... \$119.20. This money comes from parents that have scanned register receipts for items that are marked as Box Tops for Education. Thank you to everyone that participated.

Dear Families,

During this challenging time, our teachers and students need more help than ever. No matter what school looks like, Box Tops for Education is a fast and easy way for you to help out from home.

The Box Tops program has been around for over 20 years, and it really works. In fact, Box Tops for Education has helped give almost a billion dollars to schools since 1996. In 2019, the program evolved to become digital so that you can earn for your school with just the touch of a button.

HERE'S HOW IT WORKS: Buy participating products and use the Box Tops mobile app to scan your store receipt. The app identifies eligible products and automatically adds Box Tops to your school's earnings online. Even if you're shopping online or doing grocery pickup, you can still submit your e-receipts and earn Box Tops. Twice a year, our school gets a check!

Your earnings may seem small, but they really do add up. The more people that participate, the bigger the impact we can make. So let's give our teachers the support they need and help give more kids the opportunity to dream. **Little by little, we can help make a big difference.**

**DON'T HAVE THE APP YET?

Student of the Month Information

The Jerusalem Elementary School ***Student of the Month*** program is for those students who continuously do the right thing. The program is based on qualities such as character, leadership, and citizenship. This is not based solely on academics. The student of the month is a diligent student, completes his/her assignments on time, shows a strong effort to learn subjects to the best of their ability, is prepared for class, and has good classroom participation. The student of the month demonstrates excellent behavior in and out of the classroom, is well mannered, and respectful to both peers and adults. The student of the month displays excellent citizenship by working together with classmates in a cooperative attitude. Lastly, the student of the month demonstrates character through his/her compassion, honesty, trustworthiness, responsibility, optimism, and loyalty by helping to create a positive school environment. Each classroom will acknowledge one student per month to be the Student of the Month. Nominations will be done by the classroom teacher(s) and other staff members within the building. Teachers are encouraged to use the following guidelines:

RESPECTFUL

- Honest, trustworthy, and respectful
- Polite and respectful towards other students, staff, volunteers and all guests and visitors.
- Uses kind and positive words
- Listens to the speaker (teacher or peer)
- Be respectful to themselves, each other, their school and their community

RESPONSIBLE

- Follows directions and gives 100% of their best effort in class.
- Student is a positive role model by example.
- They are actively engaged in their learning.
- Student follows class and school rules.

READY

- Comes to school prepared and ready to learn.
- Uses class time wisely and completes class work in a timely manner.
- Student participates and puts forth good effort in all areas
- Student arrives to school daily and on time

Each nominated student will be acknowledged at the end of the month by enjoying pizza and juice with Mr. Straka, and a special prize will be given. Also, look for the names of these students to be displayed on our Student of the Month bulletin board! Acknowledgement days will take place on the last Friday of the month, unless otherwise specified.

HAVE A GREAT WEEK!
