May Students of the Month!

We recognized our May SOM recipients on Thursday, May 16th. Students were announced over the PA system, and were presented with a certificate. Students had their pictures taken, and will soon have them displayed on a bulletin board in the hallway outside of the gymnasium. At the end of the day on Thursday, all of this month's students enjoyed pizza (donated by Red Eye Pie!) with Mr. Straka, Mrs. Hower, and Officer Jeff. Lastly, students were given a special t-shirt to wear proudly on designated days throughout the year. We are requesting that ALL of our Students' of the Month wear their shirts on the First Friday of each month. May's SOM are listed below.

Dear Jerusalem Parents,

A reminder if you have a child who is going to be starting kindergarten in the fall of our 2024 - 2025 school year. There is still time to register your child for our Summer Safety Town Program, applications are available in the office. This program is an instrumental part of their education, however our safety programs will continue to be reinforced by our school resource officers throughout elementary school. Our classes will help to build your child's personal safety foundation, strengthen their confidence and self esteem. The safety lessons they learn during their time in elementary school are also very important life lessons. Thank you for allowing me to educate your children, Officer Jeff.

See information below or click [here](#) to view a printable version. Register your incoming Kindergartener today!

2024 Oregon Safety Town Registration

SAFETY TOWN is an organized safety education program for children entering kindergarten from Oregon and the surrounding communities. **Safety awareness is taught and practiced in SAFETY TOWN**, a city built to a child's scale. Teachers, police, and fire personnel, with the assistance of teenage volunteers, will cover topics such as pedestrians, motorists, buses, railroads, water, and various other safety-related issues. Movies, songs, games, and practice inside SAFETY TOWN will complement the daily classroom activities. Each session is five days (see below for times). **All children must be potty-trained.**

The Oregonian Club sponsors SAFETY TOWN in cooperation with the City of Oregon's Police and Fire Departments and the Oregon City Schools. SAFETY TOWN is at 3230 Starr Avenue (Starr Elementary School) and offers two sessions—a limit of 60 students per session.

Session 1: June 3rd – 7th (8:00 am – 11:30 am), with Graduation on June 9th at 10:30 am
Session 2: June 10th – 14th (8:00 am – 11:30 am), with Graduation on June 16th at 10:30 am

A \$30 registration fee must be paid before May 19, 2023. A full refund will be given if canceled before May 26, 2023, and a partial refund of \$10 if before June 2, 2023. ClassDojo:

ClassDojo is a communication app for the classroom. It connects teachers, parents, and students who use it to share photos, videos, and messages through the school day. They use **ClassDojo** to work together as a team, share in the classroom experience, and bring big ideas to life in their classrooms and homes. Jerusalem teachers may be using ClassDojo in a variety of ways within their classroom throughout the school year. Not all teachers are currently using this tool within their classroom at this time, as it is their choice. Some teachers will continue to communicate with parents through email, phone, newsletters, etc. **However, we encourage you to sign up for ClassDojo to receive important building updates/messages from Mr. Straka.** Information on signing up for ClassDojo will be sent home from your child's teacher.

Cell Phones and other electronic devices:

Just a reminder that all cell phones, smartwatches, and other personal electronic devices must be turned off and placed in the student's lockers upon arriving at school. These devices are often a distraction to students, and are not permitted to be with students during the day. Thanks for your cooperation!

Deliveries for Students:

Jerusalem Elementary has implemented a system for items to be delivered to students once the day begins. **Please leave items on the table outside the office door**, complete the delivery log, and notify the secretary of your delivery. Thanks for your cooperation!

School Supplies:

This year, we have decided to purchase a variety of school supplies for each classroom to start the year. This allowed us to decrease the number of items that parents are responsible for purchasing.

For a list of school supplies for each grade level, click [here](#).

Morning Drop-Off Routine:

Please see the following important information involving the morning drop-off routine for students. Students will not be permitted to enter the building until **8:50 am**. Please do not let your child(ren) exit the vehicle until the main entrance doors are opened. Thanks for your cooperation!

- Please drive **slowly**.
- Please drop off your student(s) **between** the Safety Markers (plastic figures with flags). Do not drop off outside of this zone.
- Please stay in the car drop-off line until your child(ren) exits the vehicle. Do not drive around other vehicles to move ahead in line, or to exit the lot.
- Please have any and all children in your vehicle exit on the **building/driver side** of the vehicle.
- **Do not park in the drop off line**. We need to keep the traffic moving. It is preferred that students are dropped off in the identified zone, rather than walked into the building. If you need to enter the building for an appointment you must park your vehicle in a parking space, and carefully walk your child(ren) into the building.

Thank you for following these procedures, as we all work together to make the arrival process safe for students, parents, and staff.

Student Dismissal:

To help with the flow of traffic, parent pick-up students will be dismissed to the main entrance beginning at 3:30 pm. Please be sure to have your pick-up card out, and your child(ren)'s card attached to their book bag in a visible location. Please be patient with this process. If you don't have a parent pick-up card, you will be asked to enter the office and provide your ID.

Pick up cards will be available to be signed out on the 17th, 18th and 21st. Please stop in the office.

For your child(ren)'s safety, we will only release students to parents/guardians with matching pick-up cards that are waiting in the lobby.

Box Top Earnings from November through March: \$80.00

Dear Families,

During this challenging time, our teachers and students need more help than ever. No matter what school looks like, Box Tops for Education is a fast and easy way for you to help out from home.

The Box Tops program has been around for over 20 years, and it really works. In fact, Box Tops for Education has helped give almost a billion dollars to schools since 1996. In 2019, the program evolved to become digital so that you can earn for your school with just the touch of a button.

HERE'S HOW IT WORKS: Buy participating products and use the Box Tops mobile app to scan your store receipt. The app identifies eligible products and automatically adds Box Tops to your school's earnings online. Even if you're shopping online or doing grocery pickup, you can still submit your e-receipts and earn Box Tops. Twice a year, our school gets a check!

Your earnings may seem small, but they really do add up. The more people that participate, the bigger the impact we can make. So let's give our teachers the support they need and help give more kids the opportunity to dream. **Little by little, we can help make a big difference.**
