Ike Parent Orientation Night for our 4th graders. This sheet will be coming home soon.
Dear Parents/Guardians of Incoming Eisenhower 5th Graders:

It is with great excitement that we welcome you to Eisenhower Intermediate School! Over the past five school years, we have worked to develop a brand new Intermediate School with new procedures, policies and traditions. In addition, our staff has worked to create a welcoming, nurturing yet challenging and positive environment.

We are now looking forward to including your child and your family in the Eisenhower experience. This process will begin on May 9 when 4th grade students throughout the district will come to Eisenhower for a visit. A presentation will be held from 10:00—11:00 in the auditorium. Students will be bussed from their elementary schools to Eisenhower. The visits will include information for students concerning what they can look forward to as an EIS student. Mr. Ralph, our guidance counselor, and Mr. Holcombe will speak and students will be given a tour of the building.

We are also looking forward to sharing information with parents as we prepare to work together in transitioning your students from elementary education to secondary education. We will hold a parent meeting for parents of incoming 5th graders on Wednesday, May 9 from 6:00—7:00 in the Eisenhower auditorium. We value this time to share our vision of the intermediate school experience and answer as many questions as possible through our presentation. We hope to see you there!
