Good Afternoon Starr Families,
It has been a great and busy month! Thank you for all who turned out for our annual Trunk or Treat! A little sprinkles but all went well! We have many events coming up to round out our month. Our 1st grade is having a Math Family Night. We have Right to Read Week starting on Oct.22-26. During that time we will have an Author visit from Mary Kay Carson. Our Scholastic Book Fair will be offered that week and on Thursday evening for Family Literacy and STEAM Night. We have recently added a STEAM class to the students schedule this year. Come visit our classroom and a family night all in one! See the RSVP below and return. All went home on Friday.

At the end of the month we will have a Cookie Dough Sale kickoff! Information will go home that Monday, Oct. 29th.

Have a great week!
