## Bicycle Permission Slip

In order to ride a bicycle to school, students must:

- Be in at least the third grade
- Have this signed permission slip on file in the school office.
- Must obey all traffic regulations.

While the school is vitally interested in the safety of students, we assume no responsibility for their safety while riding a bicycle to and from school. Our recommendation continues to be that the safest way for students is to ride the bus.

Students who ride bikes should not arrive at school before 8:45 a.m. Students riding bikes home will be dismissed by the staff on bus duty at the close of the day.

The school assumes no responsibility for bicycles left at school at any time.

Please return this portion to the school office.

I give permission for \_\_\_\_\_ to ride his/her bike to and from school. It is understood that the Oregon Schools and the principal assume no responsibility for the safety of either the rider or the bicycle under this permission agreement. I also agree to abide by the rules as listed above.
